

# Congratulations Natalie,

It's important to remember that God's agenda is the only right and perfect one. You can trust His plan completely. He will guide you and give you insight through His Word and through prayer and meditation.

You can be inspired by the smallest things, so keep your eyes open. Consider these; A tea kettle singing on the stove inspired the steam engine. A shirt waving on a clothesline inspired the balloon. A spider web strung across a garden path inspired the suspension bridge. God will use the simplest realities to inspire something bigger and better in your life.

In his heart a man plans his course, but the Lord determines his steps.  
Proverbs 16: 9

You are evidence of God's presence and power. You are our miracle!
