Today

*From the moment you were born, we knew God had blessed us with a special daughter. Over the years you have shown everyone how intelligent, loving, considerate, and hard working you are. You have accomplished so much and have matured into a beautiful young lady; you are truly a joy in our lives. Whatever path you choose, remember that God is guiding you every step of the way. The next phase in your life will be both a challenge and a wonderful experience. Remember that your family loves you and always will be there for you.*
