Check your bags as early as possible, Airlines suggest 90 minutes in advance. Last minute checked begs often times don't make it through security screening and onto the plane. While at the counter, Poster suggests "Check your bags to make sure that your luggags has been ticketed to the correct digit numbers before you leave the check-in area or ticket counter." Should you find that you are separated from your lug-gage, Foster has these other tys for minimizing the incon-venience. 6 Ksep vital items with you Always carry medicines and other valuables or not easily replaceable items (including your keys) on your person or in a small 'never check' carry-on. 7. Dress for your tip "What you wear should be something you can wear the first day when you're travel-ing, if your luggage desn't make it with you," sails see-ing, or get to your meeting. If you're traveling a business conference, don't travel in a pink sweatsuit, and if you're gags you can still ga its see-ing, or get to your meeting. If you're traveling to a business conference, don't travel in a pink sweatsuit, and if you're gang from one climate to abouther. 8 Cross pack Though it may not work for everyone, if you are tweeling was another. 8 Cross pack Though it may not work for everyone, if you are steveling with a finend or your spouse you could pack a complet outfit in their bags, won't be lost, cross packing ensures you have at beats one extra

be lost, cross packing ansures you have at least one extra outfit.
9. Create a packing list
Not a list of what you should pack, but what you should pack, but what you have packed. "Most travelers undervalue the contents of a lost bag because they can't member everything that was inside." Take a second copy of the packing list with you to check each time you unpack and repack, to pre-uent forgeting items.
10. Feport lost luggage
Above all else, if you are standing at the bagsage page, you must complete lost-luggage reports. "You can not you can't go to the hotel without conting that bag."
Forte insists this is the most critical detail. "The longer it goes without report-ing the more difficult is to go to tack, "she said.

Yadkin festival Continued from page 1B

Continued from page 1B from the Yadkin Valley either having been bottled in the Yadkin Valley Appellation or the grapes must have been grown in the 1 4 million acre-valley. Visitors will be delighted to find twenty wineries poung in the fistival this year. "I think they will find the wines to be surprisingly good for the appellation to be as young as it is," said Walker. Many of the wineries are just within a five miles of Ellán, including the Elkin Greek Winery, which is in the heart of the Yadkin Valley. It's a perfect location to learn the story behind many of the wineries, and to taste the Valley's wines.

and to version wines. The first of the Carolinas Wine Festivals, in its fifth, year surprisingly this event is geared towards families, not-just those of drinking age
