

**THE LIBRARY CONTINUES TO GROW**

Although the Chowan College Library Club is growing daily it has not grown as fast as it was hoped that it would. The following new members have been added since the last issue:

- Misses Sara and Irma Vaughn
  - Miss Camilla Manson
  - Miss Jessie Marie Parker
  - Miss Adalia Futrell
  - Miss Hazel Griffin
  - Misses Nancy Parker and Edna Mills
  - Miss Hilda Matthews
  - Miss Estelle Carlton
  - Mr. Fred J. Stimson, Aulander, N. C.
  - Mrs. T. B. Wynn
  - Mrs. W. A. McGlohon
  - Mrs. D. O. Spiers, Como, N. C.
  - Miss Mary Etta Picot, Como, N. C.
  - Miss Carolyn Weaver, Montevallo, Alabama.
  - Mrs. J. L. Wade, Nashville, Tenn.
- This makes a total of forty-four members.

There seems to be a misunderstanding about the basis of membership. It is the gift of one book a month to the library for one year only.

Some valuable books which have been given as a result of the club are:

- "Criticisms of New Era in American Poetry", Louis Utermeyer.
- "The Greek Theater and Its Drama", Roy C. Flickinger

**STILL THEY COME**

**Miss Jones and Miss Taylor Enrolled Last Week**

Two new girls were enrolled among the student body last week. They were Miss Helen Jones from Thomasville and Miss Donia Taylor from South Carolina. We are very glad to welcome these new students into the Chowan "family".

**PICNIC FOLLOWS LOSS OF HALF THE WEEKLY HOLIDAY**

Last Monday afternoon at four o'clock, the girls and faculty of Chowan College met on the front steps and left for the river and a good time. The entertainment committee suggested games and all took part in old fashioned "London Bridge", "Lemonack", and "Dropping the Handkerchief" while the Mandolin Club furnished spirited college music.

Weinies, tomato sandwiches, roasted corn, marshmallows and hot coffee were cooked and served. During the afternoon some of the citizens of Murfreesboro took all the girls for a ride down the river in a gasoline launch.

The picnic followed regular class work Monday afternoon, served admirably to compensate for the loss of half the weekly holiday which was occasioned by giving Thursday afternoon off in order that faculty and student body might attend the Roanoke-Chowan Fair in Woodland.
