INFORMATION

This meeting was planned since the last meeting of the State Convention and Mission Board. Most of the

teachers are from the regular force of the departments of the State Mission Board. Chowan College opens its doors to the great northeastern section of our State for this meeting. It is along lines well established in the South to use our educational institutions during vacation for denominational purposes.

TIME AND PLACE

The time is JULY 15-24. The first session will be Tuesday, July 15, 8:00 P. M., and the Assembly will close Thursday evening July 24th. The place is Chowan College, Murfreesboro, N. C. There will be adequate room for all. The campus is one of the beauty spots in North Carolina, no more beautiful park of shade, lawn and flowers is to be found.

To reach Murfreesboro by rail you will leave the A. C. L. at Cofield and drive by motor fourteen miles. From the S. A. L. you leave train at Conway, N. C., and drive six miles.

EXPENSES

The college opens its doors to all and will furnish board and room. Those staying only a part of the time will pay one dollar and a quarter a day or twelve dollars for those who spend the entire time. There has been no denominational appropriation. One free will offering will be made for the printing, postage and other expenses. Let every one plan to make this offering a liberal one. A registration fee of one dollar will be charged all who take complete courses.

WHO SHOULD ATTEND

Preachers. The Bible lectures of Dr. Yates, the great sermons by Dr. Wall and the practical work in the books of our Sunday School and B. Y. P. U. study courses will help every one of them.

Sunday School Workers. There will be three courses in methods leading towards a diploma or giving seals on a diploma. The work in — also leads to a seal. All need this work.

B. Y. P. U. Workers. Here will be two courses in methods. The class in the Sunday School Manual also gives a seal on a B. Y. P. U. Diploma.

W. M. U. Workers. The good women offer one course in methods and one mission study course. Then a study of "Stewardship and Missions" is for all three departments just named.

Everybody who is seeking the inspiration, information and fellowship needed for greater vision and efficiency.
