The Chowan eleven will meet the Fork Union Military Academy of Front Royal, Virginia on Friday night, October 14 at 8 p.m. The game will be played on the Murfreesboro town field. A big turn out to this game is expected. The Fork Union eleven will be a heavy, well-trained team. They run from a T-formation and have made good records in the past

and will be a strong opponent. With this knowledge of the opposing team Coach Melvin Layton has drilled his team this past week very hard. He says it will be a tough game and after a little more experience of working together we will come out on top. After losing to Elizabeth City High School last week, the squad

has revenge on their minds. This will no doubt have its telling effect when the Chowanians meet the strong Fork Union team. The boys have played one game now, and with a good start will make a good showing.

The probable starting line-up will be as follows: Earl Rook, right end; Herman Hooker, right tackle; Hayward Edwards, right guard; Louis Ivey, center; Joe Butler, left guard; Lue Gray White, left tackle; Cedric Pierce, left end; Vance Stewart, quarter back; Buddy Bass, left-halfback; Guy Keeter, right-halfback; and Billy Midgett, fullback.

Chowan Tribe Loses to Yellow Jackets

In the first football game of the season the Chowan Tribe journeyed to Elizabeth City to meet the Yellow Jackets there. The unseasoned Chowan eleven was dropped by the Yellow Jackets by a score of 20-0.

The chowan squad got off to a good start by recovering their own kickoff deep in Yellow Jacket territory. However the tide quickly changed. With consecutive first downs, Elizabeth City scored. Immediately following the Yellow Jacket kickoff they recovered a fumble deep in the Tribe's territory. This set up the second Elizabeth City touchdown, ending the first quarter.

Not until the 4th quarter with about three minutes of playing time left did Elizabeth City score its last and third touchdown. In all, Elizabeth City converted two extra points.

The lineups for the two teams were as follows:

Chowan	E. City
RE—Earl Rook	Johnie Ward
RT—Herman Hooker	C. Gray
RG—H. Edwards	Don Austin
C—Louis Ivey	C. Cuthrell
LG—Joe Butler	W. Mann
LT—Jack Newsome	C. Butler
LE—Cedric Pierce	S. Whitehurst
QB—Vance Stewart	C. Foreman
LHB—Buddy Bass	Irvin Dean
RHB—Guy Keeter	Bill Gard
FB—Billy Midgett	B. Sawyer

Compliments of

Pep Rally

Judging by the first pep rally, Chowan students have the spirit and strong lungs to support any football team—winning or losing. A huge bon-fire was built on the new athletic field before the first game. The cheerleaders had charge of the rally.

Again a pep rally will be held Thursday night on the new athletic field prior to the Chowan-Fork Union game Friday.

Baptist Student Union Will Be Organized Soon

Under the faculty leadership of Miss Jo Keeter and Mr. Elbert O'Connell, a Baptist Student Union will be organized. Student leaders for the group will be appointed at an early date by the faculty councilors.

The Union better known as the B. T. U. is made up of several organization and serves to integrate the work of the young people in the Baptist church. It also serves to promote the work of the church. In practically all colleges, denominational and state-supported the B. T. U. is a means of furnishing a wholesome social and recreational life to students away from home.

Recently Mr. Jimmie Ray, state leader, appeared before a group of interested students here to discuss the formation of a union on the campus. It is to be expected that such an organization will be of vital service to the students and the school and a large membership is anticipated.

Mr. Melvin Quinton Layton, graduate of Wake Forest College and former Physical Education Instructor in the U. S. Navy, is the coach and athletic director at Chowan. He coaches all sports and is instructor in all physical education classes for boys.

Mr. Layton, his wife, and children make their home on the campus in the Old President's Home. They have been here all summer preparing for the re-opening of Chowan College.

On Tuesday, September 6, the coach started training for football a group of boys who were from all parts of Eastern Carolina and Southeastern Virginia. Until Wednesday, September 14, he drilled his squad of 55 boys in calisthenics. Since then he has drilled and shaped a team, which has improved greatly and is still improving. Coach Layton's task has been the taking of all types of football players and making one team which will click smoothly.
