

HOMECOMING BRINGS HOLY TRINITY

Vance Stewart, above, is Chowan's fleetfooted quarterback, who has directed his team very well this season. He made a 75 yard run in the last game, which was played with E. M. I.

PEP RALLY

The real Chowan spirit was shown at a Pep Rally given Friday night before the E.M.I. game which was played Saturday, October 9. A bonfire was built on the campus at a clearing near the Charity Cottage. The entire student body and faculty were present.

After the cheerleaders led the yells that sent the air vibrating all over the campus, roasted marshmallows were enjoyed by all.

On top of the bonfire, before it was set ablaze, was a dummy plainly distinguished as an E.M.I. football player, smeared by lipstick on the jersey. It readily burned when lit and illustrated the destruction of E.M.I.

During the course of events Friday, November 11, (Homecoming Day), Chowan will entertain the football team from Holy Trinity, a Catholic high school of Norfolk, Virginia, in a contest beginning at 8:00 p.m. on the Murfreesboro gridiron. A large turnout of Roanoke-Chowan fans will be expected.

Coach Melvin Layton and his squad of Braves, having lost all the games which they have played this season, will be all out for winning this one as it is the last game of the year. The local eleven has shown much improvement in each game as the season has progressed.

The visiting team will run from a T formation as have all other Chowan opponents this year. They will also outweigh Chowan's boys. The boys from Holy Trinity have grown up together and have had excellent coaching.

Chowan's starting lineup for this game will probably be:

Earl Rook Right End
Herman Hooker Right Tackle
Calvin Basnight Right Guard
Louis Ivey Center
Joe Butler Left Guard
Jack Newsome Left Tackle
Clarence Alexander Left End
Vance Stewart Quarterback
Buddy Bass Left Halfback
Guy Keeter Right Halfback
Billy Midgette Fullback

Co-captains for this game will be named by Coach Layton just before the game.

The engagement with Holy Trinity will be featured at the half with a display of stunts which should prove of interest to spectators. Also at halftime President Bunn will present awards to student winner of the cleanup, decorate contest undertaken as a special feature of Visitation Day. The game and events prior to the game should attract a large number of fans especially in view of the fact that the local high school team is idle that night.

BRAVES

In a special meeting of the Chowan football squad called November 2 by Coach Melvin Layton, the majority voted the name of 'Braves' as the permanent name of the future Chowan teams participating in any sport. The other names suggested and voted upon were 'Chiefs' and 'Warriors'. The suggestions were held strictly to Indian names to fit with 'Chowan', which is definitely an Indian name.

EMI Downs Braves

The visiting Edward's Military Institute Cadets won over the Chowan Braves here on the local gridiron by a score of 6 to 0. October 29. There was approximately 1000 Roanoke-Chowan fans in Murfreesboro to witness this game.

The only score of the game, which was made by Regis Kimsey of E.M.I., came immediately after the opening of the second half. The attempt to run the extra point was no good.

Coach Melvin Layton was pleased with the showing his outweighed squad made in this contest. After overcoming several injuries, which his team suffered during this game, and ironing out a few mistakes, he hopes to defeat Holy Trinity High School in the last game of the season on November 11. The team saw no action this past weekend, but has drilled for the coming game with Holy Trinity.

Co-captains for this game were Herman Hooker, right tackle of Plymouth, N. C., and Joe Butler, left guard, of Elizabeth City, N. C. The starting lineups:

Chowan	EMI
RE Gene Cook	J. Norton
RT Herman Hooker	B. Lippard

Stewart Makes 75 Yard Run
During the final quarter Vance Stewart of Roanoke Rapids, N.C., fleetfooted quarterback for the Braves, ran from deep in his own territory through the middle of the line for 75 yards, being brought down just fifteen yards short of a touchdown.

Hints to the Fans

Good sportsmanship should be shown in the bleachers as well as on the field. A school is known in its community by its behavior at sports events. A few 'boos' can give a school a bad name. These are some behavior hints.

Entrance at game:

1. Arrive on time, stand in line; don't push.
2. Be sure to have your ticket ready.

3. Remember—the pupils serving as ticket sellers are working without pay and sacrificing their opportunities to see the game. This is real school spirit.

Grandstand Behavior:

1. Be considerate of others.
2. Find a seat and stay there.
3. Don't stand up during a game without a reason.

4. Do not throw papers, candy wrappers and the like.
5. Do not swing pennants wildly.

6. Keep off the field; leave that for the players.
7. Don't be quarrelsome.

8. Respect opponents; they are only opponents in a contest, not mortal enemies!

Respect for Players:

1. Don't 'boo' the opposite team; remember they are guests.
2. Do not cheer when a member of the opposing team is hurt.
3. Have respect for decisions made by officials.

4. Do not criticize the substitutes. They deserve as much credit as the first team.

5. Don't line up along sidelines. You may be in the way and you may be hurt.

6. Don't cheer penalties.

7. Win or lose, show good sportsmanship. When the team has played well and lost, be able to accept it without weeping and wailing. Don't alibi! The team is still your team; act accordingly.

8. Support the cheerleaders. Don't join small antagonistic cheering groups. Learn cheers—and cheer!

When Away:

1. Be respectful to those in authority.

2. Be a credit to your school.

3. Do not clutter up the grounds.

Follow these simple rules of good behavior and good sportsmanship and make not only a good name for yourself, but for your school.

Sports Chow

By ELLEN DOWNS

The Chowan football team has been showing great progress in its last two games. The boys have shown such improvement that they have a very even chance of winning the homecoming game with Holy Trinity.

Hooker, Newsome and Ivey are rocks in the Chowan line. Stewart has been playing a fast game in the backfield, and with the teamwork these boys are getting, they hope to make the Trinity boys bow.

When basketball practice begins, the coaches are going to find that they have the best material in the Roanoke-Chowan section. Many of the boys and girls at Chowan were outstanding players in the high schools of the section. Billy Edwards is a well-known basketball player of this section. Fred Parker, R. D. Belche, Earl Rook, Billy Clemmer, and many other boys are great prospects for the boys' team. The girls are well represented in basketball ability also. Barbara Jean Archer, Vera Thomas and Ann Jackson are fleetfooted girls on a basketball court. These girls are dead shots when it comes to making a goal. They have worked out a little during Physical Ed. class and any spare moments that could be found. Betty Griffin, from Woodland, is another lass with a way with the ball. She racked up quite a few points last year.

The athletic field has been leveled off and tennis courts have been laid off. Chowan will have one of the best athletic fields in this area when the field is completed. The different sections of the field are beginning to shape up and they really look good to the sports-minded people of this school.

Did you know that Chowan is going to have a Monogram Club, to be organized as soon as possible after the close of football season? All the boys that have earned a letter by playing the required number of quarters will become members of the first Monogram Club that Chowan has ever had. Boys earning letters in other major sports such as basketball and baseball will also be eligible for membership in this club.

It has not as yet been decided as to whether the girls will be able to obtain membership in this club. This will be decided by the boys as soon as the club is organized. If the boys should vote to let the girls that have earned letters become a member of the Monogram Club, the cheerleaders will lead the list of girls in application for membership. There should be some way that the girls of Chowan can show their athletic ability other than in Physical Ed. classes, and the Monogram Club will help to remedy this situation. Let's all give our whole hearted support to this organization as soon as it is organized.
