Intramural Basketball

Two intramural girls' basketball teams are now shaping up at Chowan. These teams are made up of girls from each of the Alathenian and the Lucalian societies. The teams are well balanced and have been practicing about two weeks. They will soon start their games and will battle several times during the regular basketball season.

ALATHENIAN
The Alathenian society team is coached by Miss Josie Keeter and its members are as follows: Barbara Jones, chairman, Anne Jackson, Marilyn Woodard, Carolyn Davis, Mary Jennings, Nina Turner, Ruth Taylor, Elva Rae Mann, Lona Worrell, Shirley Davis, Mary Kathryn Tyus, and Joyce Joyner.

LUCALIAN
The Lucalian society team is coached by Coach Melvin Layton and its members are as follows: Olivera Thomas, Chairman, Barbara Jean Archer, Evangeline Futrell, Betty Krider, Mabel Johnson, Janet Edwards, Margaret Futrelle, Frances Peele, Ellen Downs, Barbara Thomason, Angela Johnson, Betty Glenn Griffin, Kathryn Bryant, and Abbie Condrey.

Spotlight on Bobby Dough

BOBBY DOUGH is a fine male representative of Chowan. Although he is usually quiet and easy going, he hardly ever neglects to speak his mind in a polite manner.

We all know Bobby as "Bobby Dough from Manteo" but he was born in Florida, Aug. 5, 1931. Later, realizing that North Carolina is a better place to live, he moved to Manteo.

With football a thing of the past, Wednesday, December 7 at eight o'clock marks the opening of the Chowan Braves' 1949-50 basketball season, when they meet Louisburg College here in the Murfreesboro high school gymnasium. A large turnout of basketball fans from the Roanoke-Chowan district is expected.

Louisburg College has made a good record for themselves in basketball in the past years. They will bring a well-trained team as a result of their past experience as teammates.

Coach Melvin Layton has drilled a group of boys from various towns of North Carolina and Southeastern Virginia for the past week. With the material he has he hope to have shaped a team that will make a good showing against Louisburg in the opening contest.

A meeting was called by Coach Layton, Monday, Nov. 28, to officially open the basketball season. There were 18 boys present at this meeting. They were as follows: Gerald Jeter, Earl Rook, Billy Clemmer, Cedric Pierce, Gene Cooke, Charles Buffalo, J. T. Gibson, Henry Boyd, Billy Edwards, R. D. Belche, Clarence Alexander, Danold Vann, J. N. Wilcox, Fred Parker, Tomny Burkett, Mike Theodorakis, Harold Gregory and Curtis Copeland.

This squad started practice the following afternoon with only a week's practice remaining before the first game.

Among these boys is a twosome, Billy Clemmer and Earl Rook, who played outstanding basketball with Roanoke Rapids high school last year. Also contributing to the height of this team is Gene Cooke (6') from Whitakers, N. C.

The last year's Murfreesboro high school Red Devil team is well represented on the Chowan squad with Fred Parker, center; Billy Edwards, forward; R. D. Belche and Donald Vann, guards.

SPORTS CHOW

By ELLEN DOWNS

Sports fans around the campus are eagerly awaiting our first basketball game with Louisburg this Wednesday night at the Murfreesboro High School gym. It should be a big night for the Braves. It certainly will be a long awaited night. The main team has not yet been selected, for competition is great and its anyone's guess as to who will occupy the main berths on the team.

Miss Keeter's girls team is still practicing strongly. If the outcome of the season is to depend on the way some of the girls show up during scrimmage, I'd say they are going to have a very successful season. It is uncertain as to who will be the main string on the Squaw's team also.

As to what has been happening to the teams that Chowan played during their last football season lets take a look at the strongest team that Chowan met. Fork Union, has had a bang up good season of football. They lost one game after playing Chowan. That game was to the Maryland Freshmen, 9-7. They rolled over Bullis prep 63 to 0. In the Bullis prep game Fork Union was the underdog or supposedly so. They were supposed to be beaten by at least two touchdowns, but wham, look what happened. Fork Union played Staunton M. A. on November 24th, the score was 31 to 13 in favor of F. U. M. A. This made them the champions in the state. Now Fork Union is going to Tennessee to play in the Orchid Bowl. Let's wish lots of luck to a good team in their forth coming game.

How the girls were looking forward to playing soccer in Miss Keeter's gym class. None of them had played before and they were really dreading it. Keeter said little on the way to the field, but I believe she knew what was going to happen, and it did! After having the game explained, the girls began to run through a little scrimmage. It was almost like playing football, and when the ball was put in play everyone began to get into the spirit of the game. Both teams had a lot of husky players, and they were really making good use of their strength. "Soccer is a sissy game", we were told by some body, but gather your own conclusions. Five girls came back with bruises on their legs, another came back with a sprained ankle, and it looks as if the school will see a lot of soccer games in the future for the girls really enjoyed the game. Everyone wanted to play more when time was up that afternoon. That just goes to show you can't always go judge by what other people tell you. Here's hoping we see a lot of soccer this winter.

The Alathenian and Lucalian Societies are going to be playing a little rival basketball before long. It's going to be a toss up as to who will win the game. The girls on both teams seem to be evenly matched and some keen rivalry is expected. Come to these games and root for your team. Be seeing you there!

A professor at a medical school asked a student how much of a certain drug should be administered to a patient and the young man replied: "Five grains."

A minute later he raised his hand: "Professor, I would like to change my answer to that question."

The professor looked - as his watch and replied: "Never mind, young man. Your patient has been dead for forty seconds."

"The Doctor is simply exhausted after prescribing so much rest to so many patients."
