Basketball has really progress-ed at Chowah. What with the girls defeating the Holy Trinity six last Thursday night, they should really begin to run up the wins from here on in. Holy Trin-ity defeated the Chowan boys by a four point margin in the last of the fourth quarter, but Cho-wan should take Holy Trinity in the return game or February 24. This was the first game in which the girls had won their half of the set and the boys lost theirs. "Little' Bet, as Betty Krider is called, has been giving the converted term or really twich Krider is called, has been giving the opposing team a really tough time. She's really in there when it comes to stealing the ball and intercepting dribbles. Height makes little difference to 'Little' Bet; she'll play that much hard-er if her forward is real tall. Barbara has racked up 79 points so far this season, making her the high scorer for the girls. Bar-bara has been high scorer in most of the games thus far this season. She had a hard time staying on her feet in the Camp-bell game, but Barbara can really bell game, but Barbara can really put that ball in the basket. Joyce Joyner is captain for the girl's team. They have all the makings of a good team if they will make the most of their advantages. Billy Clemmer, Fred Parker, Cedric Pierce, Billy Ed-wards. Gene Cooke, R. D. Billy Clemmer and Cedric Pierce have been playing outstanding ball all season. Billy's height and Cedric's ability to get down the court and get that ball under the basket has been two of Chowan's greatest advartages over the opposing teams.
