Chowan Plays Two Games This Week

The Chowan Braves will face two gridiron foes this week, play-ing the Hargrave Military Aca-demy outfit at Chatham, Va., Tuesday night, and then return-tion face between a come her Friday ing for a home game here Friday night with Norfolk Catholic High of Norfolk

Little is known about the po-wer of the Hargrave strength, but coach Layton's boys should have little trouble taking its 3rd wictory if their play is in accordance to their past two games.

Hargrave is a combination prepand junior school which should give them considerable advantage, Braves. The game will be played squad has made great progress in its second year.

Catholic High went down handily at the hands of Henderson High this past week by a score of 31-6 and should prove an easy victim for the Chowan Braves. The game will be playde on the Murfreesboro High field at 8:00 and a large group of fans will be on hand to watch Layton's boys perform.

The Braves are inspired now over their record of two wins, having defeated Campbell 14-12 and Edwards Military Institute

The superb running and passing of such backs as Boloby Dough, Frank Hitt, Buddy Bass and Earl Godwin have lead the way in scoring. Vance Stewart, masterful in his running ability also, is expected to be back in action by the end of the week. Along with the backfield stars, the line deserves much credit. The hard charging powerful line has enabled the backs to score. Outstanding linemen so far have been Herman Hooker, Gene Cook, Wade (Red) Browning, and Clarence Alexander. The entire team has played in its two previous contests as a star outfit.

backfield and the hard blocking for the linemen led Chowan to a 27-0 win over E. M. I. With the combined efforts of Earl Godwin, former Edenton back, and Frank Hitt who played for Christopher High, Chowan smashed through the E. M. I line for many long drives. Godwin, during the first half did much of the ball carrying for the Braves, and Hitt left the spectators spellbound with his ability to crush through the line, pass, and race down the field. The Chowan line was tight and EMI was forced to kick again after making no gains. Chowan had begun another series of line-drives when the whistle blew for the first quarter, leaving the Braves on the EMI 38.

EMI put forth a boost of effort to try to make a comeback, but Chowan's aerial defense brought this abruptly to an end. The quarter ended after Godwin had smashed through to the EMI 23. Midgette and Hitt slammed the line again, this resulted in Billy Midgette's going over for another goal. Hitt's excellent passing clicked again, this time to Bonnie who was standing in the end zone waiting to bring it down out of the blue for the final score of the game, with Chowan out in front to the tune of 27-0.

EMI got back to their own 38. Coker intrecepted a pass on the Chawan 47, Frank Hitt picked up another first down for Chowan, and Midgette and Dough were caught back of the line of scrim-mage for the last four plays of the ball game.

Both teams should be congratulated for their fair play and good sportsmanship. The EMI team were good losers, and the Braves proved that they really have what it takes to make a good ball club. The final test for Chowan, however, will come when they meet Hargrave on Tuesday night and P. J. C. on the 4th of November. If the Braves continue to play heads up ball as they have in the last two games, Layton and his team should have an undehis team should have an undefeated season.

Homecoming To Be November 4

The big week end of the football season is to be held November 4, since this is Chowan's last game of the season and is to be played on the Murfreesboro gridiron. The Braves will meet the Presbyterian Junior College eleven under the lights on Saturday night. As yet no definite plans have been made for the weekend, but many social events are being planned for Friday and Saturday evening as well as the football gaine on Saturday night. All students are urged to invite their parents and friends to attend this homecoming game and the activi-ties of the weekend.

On Saturday night when the boys journeyed to play E. M. I. at Clinton, the new cheerleaders were there to rally the boys on for a win. They (the cheerleaders) have a job to keep up when it comes to supporting the team whether they win or lose. Our spirited cheerers this year are Ruth Taylor, Mary Jennings, Peggy Denton, Kyrai Ann Bunn, and Betty Belche. For our male section of the cheering squad are James Gillikan and John Long. For off campus sports we'll take a look around the country at the big colleges and their foot-ball teams. As usual Notre Dame is at the top of the list when it comes to football, however, we are very proud of the standing that old U. N. C. made when they v-1 sited the Irish. The Tar Heels appear to have a lot of power in the line and in the backfield even though they suffered quite a few losses at these positions and lost their much publicized Charlie
