

P. J. C. Crushes Braves To Tune of 71-56

By Raymond Meiggs

The Chowan Braves traveled to PJC on Thursday, February 8, to play the Presbyterian Junior College team. It was a hard fought game from the beginning to the end, but Chowan got the worst end of the deal by a defeat of 71 to 56.

At half time the score was 30 to 23 in favor of the Braves, but in the early minutes of the third quarter the reserve strength of the Presbyterian team began to shine over the Braves' resistance. After the first ten minutes of the second half, the PJC men had a safe lead over the Chowan team, and continued to hold this margin throughout the rest of the game.

High scorer for the Presbyterian team was B. Stone with 26 points. For Chowan the high scorer was Pie with 16, followed by R. D. Belch with 15, and Billy Clemmer with 10.

Monogram Club News

There has been no recent meetings of the Chowan College Monogram Club. President Bobby Dough announced that the next meeting will be called soon.

Since the last meeting several activities have occurred which involved the club's name. First was the chapel program which was assigned to the club. Bobby Dough talked on the subject of Sportsmanship. Next there has been an intramural basketball team, picked from the membership of the club. This team, under the name of the Monogram Club, will compete in intramural games with teams from the societies. The boys who were selected to play on this team are as follows: Bobby Dough, Earl Goodwin, Pluggie Hughes, Billy Midgette, Colon Jackson and Red Browning.

The plans for the clubhouse that were being made had to be dropped, because the club is being affected by the war. The plans will be continued in later years.

New Cheerleader

The Chowan cheerleaders have recently elected a new cheerleader, Sarah Perry of Colerain, N. C.

The main reason for electing a new cheerleader is that Bettye Belch of Mackeys, N. C., a former cheerleader, dropped from school after the first semester. Therefore, Sarah was elected to take Bettye's place.

The main reason for choosing Sarah is due to her athletic ability and her good school spirit. While a junior in high school, Sarah formed the first cheerlead-

Basketball Schedule

February 14—Louisburg at Chowan
February 17—Presbyterian Jr. College at Chowan
February 27—Wilmington College at Chowan
February 24—Chowan at Wilmington, N. C.

W. A. A. Gives Skit

On January 8 the Woman's Athletic Association presented the chapel program consisting of a skit of Chowan 20 years from now and also a skit of the Grand Ole Opry. Those taking part on the program were Sarah Perry, Ellen Downs, Lib Slate, Kyria Bunn, Mary Jennings, Alberta Liverman, Marilyn Vick, Marjorie Sauls, Ruth Taylor, Lona Worrell and Peggy Denton.

All members are reminded to pay quarter dues before the annual picture is made.

Some of the girls who played basketball last year are looking forward to getting their sweaters in the very near future.

Billy Clemmer

Chowan's basketball player of the month is a tall, athletic, three sports guy who hails from "The Rapids." Just in case you don't recognize him, he is Billy Clemmer.

Billy has been a main stay in the Brave's lineup all season. Last year he was also on the team, and helped rack up quite a few points for the Braves. He is also one of the high scorers for the Chowan team this season.

Resume of Cage Season

By PLUGGY HUGHES

The Chowan College Basketball team started the season, greatly handicapped with the loss of Fred Parker and Billy Edwards who are now serving their country with the armed forces. How-

ever, many of the members of the team of last year are with the team this year, and some very good additions have been added to the team with Raymond Meiggs from South Mills and Mack Edwards, Durwood Armstrong and a few other boys who are now freshmen at the college.

The regular season for the Braves began with a game with the First Christian Church of Norfolk, Virginia. In this game the Braves showed a fighting spirit and their old spirit of good sportsmanship. However, a lack of coordination as a unit, and good team work as a whole seemed to be their greatest disadvantages. The Braves, handicapped by the lack of a gymnasium and other factors, proved to be the victors of the game by a small margin.

A game with Campbell College at Buois Creek was the second game of the season for the Chowan Braves. The Campbell Camels proved to be too much for Coach Layton's squad. The Braves came home on the short end of a defeat.

The third game of the season was played with the National Guard of Edenton on their home court. The Braves showed good ball handling but were unable to control the backboard. On free throws the Braves were very good, but were unable to hit on shots from the floor. So the Chowan boys came home once again to lick their wounds with hope for better luck next time. Only six field goals were made in this game, with the free throws making up the margin with which the National Guard won.

The National Guard team came to the Braves' home court the following Tuesday and at the half the game the Braves had nearly scalped the Guardsmen from Edenton, and then the picture of not having a proper place to practice showed up as the Braves began to fall behind. The Braves again lost to the National Guard team.

Next on the schedule was a game with the camels of Campbell College and the opposition proved to be too much for Coach Layton's squad as they lost, as before, by a score too sad to mention.

In the last game the Braves played they again lost to a P. J. C. team, this time, to the tune of 71 to 56, but with due consideration, with the exception of Chowan of course, a team on their home court may well be spotted at 15 point margin over their opposition.

It is the opinion of the writer, and I am sure that I am not by myself, that the Chowan Braves should be commended for their fine work in putting up such a fine fight even though the opposition was out of their class. (But what is their class? E. D.)

Every one of the schools that Chowan has engaged in basketball this year has had an enrollment of twice the size of Chowan's; therefore you can figure the rest out for yourself. I take my hat off to the boys who play on the Chowan team, and am sure that the entire student body is behind you, so keep up the good work, Braves.

SPORTS CHOW

By CURTIS COPELAND

Sports are being hit hard by Uncle Sam. All schools are losing their boys slowly, because the draft is taking them very rapidly. Chowan has only felt it lightly, but it is noticeable around the campus. The losses from the basketball squad to Uncle Sam amount to two. They are Sberald Ward and Harold Brown. Athletes in other sports that have left Chowan for the service are Herman Hooker, Kenny Mizelle, and Jimmie Coker.

During the last semester a faculty committee met and decided that all athletes would have to pass at least six hours in order to play ball this semester. It will be changed to ten hours, starting next fall. This scholastic standing is a standard thing among the members of the Junior College conference. We all hope to see Chowan in the conference next year.

Last week the Columbia Blue really showed up in the chapel program. After the scheduled speaker finished his talk, Rev. Warren Taylor gave an account of the past football season which was very successful. He also introduced Coach Melvin Layton who presented letters to all those who earned them. The boys went behind the stage curtain and came out with their sweaters on. These sweaters and letters were made possible by the combined cooperation of the Athletic Association of Chowan College.

—S C—

It appears that some football instructions will be indoors next year. Chowan has purchased a movie projector for the purpose of entertainment. Everyone seems to think that the projector will be a great asset to the future football teams of Chowan College. The money for this was donated by a friend of Chowan who was interested in boosting entertainment.

—S C—

The expression "the cracker-box" has been used very frequently on the campus here at Chowan. It is observed now as the name for the gymnasium on the stage in the auditorium. The court is so small that three of its size could be set in a regulation court. There has been some talk about the possibility of a new gymnasium in the future. This would be a great asset to the success of the basketball teams to come. Practice in "the cracker-box" now is considered a handicap.

—S C—

The subject of the boy's conversations is how much can you press. A set of bar bells has been placed in the boy's dressing room and the boys are constantly going to see how much they can lift. To press a bar-bell is to lift

17 Boys Receive Blue Sweaters

On Monday, February 5, during the chapel hour the members of the Chowan football team received sweaters and letters. The Reverend Mr. Warren Taylor of the Murfreesboro Baptist Church offered a word of praise to the team and its coach from himself and the people of this community.

The Chowan Braves had a fine season during '50—winning five out of six games it played. In their last game the Braves lost to Presbyterian Junior College by only one point.

Boys receiving sweaters and letters were Clarence Alexander, Wade Pierce, Wayne Browning, Buck Armstrong, Buck Blythe, Buddy Bass, Lonnie Phelps, Curtis Copeland, R. D. Belch, Bobby Dough, Gene Cooke, Vance Stewart, and Pluggie Hughes, Edsel Farless, Colon Jackson, Billy Midgette, Fred Williams.

When the boys paraded across the stage in the "blue and white", the student body sang the Alma Mater.

it above your head with arms stretched out. It seems that Preacher Rex Gardner has all the boys puzzled. Only last week Rex pressed 165 pounds. This is outstanding in the amateur field.

—S C—

Have you heard? Chowan has met national fame this year. We have Glenn Davis at Chowan. The only trouble is that the football star has recently been married, and we know nothing of a wedding around here! ?

—S C—

Baseball looks good this year. The old team is back with the exception of a few. The pitching spot which was filled by Carl Taylor last year will be filled by Earl Goodwin this year. Earl has seen many years experience as pitcher and is expected to come out on top at Chowan.

—S C—

Intramural basketball arouses much interest among the boys and girls. The girls have three teams, namely: Lulu's Maidens, and Bubbas. The Lulu's are ahead in the standing. The boys teams are The Monogram Club, the Lucalian Society and the Alathenian Society.
