

THE CHOWANIAN

VOLUME 7 — NUMBER 4

CHOWAN COLLEGE, MURFREESBORO, N. C.

JANUARY 1959

Chowanian staff photograph.

Come Fall, Winter, Spring or Summer, Chowan's expansive Campus is always very beautiful. The picture shows two co-eds on "Lovers' Lane" as they approach the "Columns" building. When Spring arrives Cupid will be flitting all over this area—and the many trees will be in full regalia.
