

IT'S ALL VERY INTERESTING to the four sons and a daughter of Chowan's families. Comfortably seated on the ground is David Brown who appears to be telling the others about the picture of Arthur Godfrey on TV Guide. He is the son of Mr. and Mrs. Harold F. Brown. Lisa Garrison is the attractive pre-debutante daughter of Mr. and Mrs. James G. Garrison, and the next two young gentlemen, David and

Jonathan, are sons of Mr. and Mrs. John C. Gill, Jr. Barry Whitaker, son of President and Mrs. Bruce E. Whitaker, is standing back of Master Berry Sowell, son of Mr. and Mrs. William B. Sowell. Berry appears to have been attracted by a passing co-ed. The buckets? They were brought to the college campus to be filled with Easter eggs the rabbits left scattered around. (Photo by John Gill.)
