

Here are some of the buildings erected since Dr. Bruce E. Whitaker became president of Chowan College six years ago. Left, a new men's residence hall; right, a new woman's residence hall. A classroom building and another men's residence hall are now being constructed (See the center page.)

April/May 1963

THE CHOWANIAN

April-May, Nineteen Hundred and Sixty-Three

DR. BRUCE E. WHITAKER, President of Chowan College

THIS ALUMNI EDITION OF THE CHOWANIAN is dedicated to the man who more than any other has brought Chowan College to its present high standing among the state's educational institutions. He is a "go-getter" for Chowan College.

Members of the North Carolina Press Association made possible a large addition to the School of Graphic Arts building (left). Besides the cafeteria (right) many improvements have been made on the campus. Dr. Bruce "lives" a 24-hour Chowan College day.
