

## Yes, Chowan Coeds are Talented

**BEAUTY WITH A BEAT**—Sue Allsbrook, whose diversified singing talents have been acclaimed by large audiences in North Carolina and Virginia, belts out popular songs for the May Queen Pageant. She has been singing almost since she learned to talk and toured with "The Canterbury Three," folk-song combo of Chowan students.

"I'LL NEVER GROW UP," sings Janet Burgess' version of Peter Pan.

**RADIANT RESEARCHER** Deborah Hopkins displays a more familiar talent in a more familiar campus scene.

A JOURNEY DOWN LIFE'S ROAD is directed by Linda Diane Bass.
