

Dear Mom . .

Work, Study Keep Us Busy

THAT'S GREG THOMAS HELPING ME serve Miss Jean Nutter, assistant cafeteria manager, and tall mountaineer Harold Perry, a student in Chowan College's School of Graphic Arts.

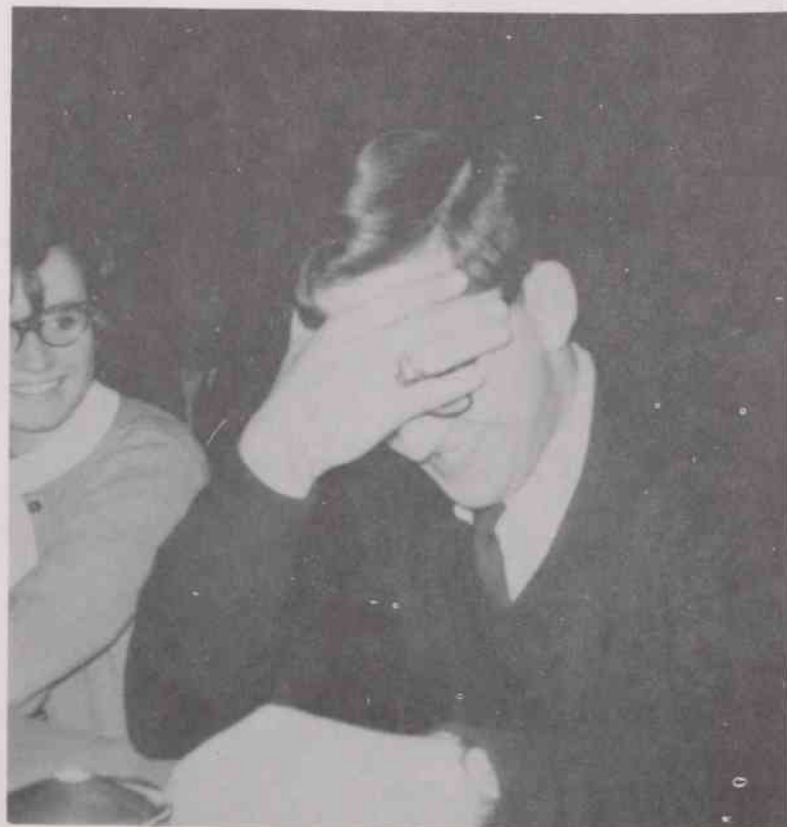

NOW THEY KNOW I'M BRILLIANT — Sandra is amused, "Inky" amazed, at my wonderful oratory.

*Although Some Silly Boys Keep Trying
To Make Me Laugh, I'm too Smart*

SANDRA AYSCUE AND "INKY" SOLTES give their reactions to a brilliant speech delivered in my dormitory room, as I prepared for speech class. Sandra pays attention, "Inky" holds her head up and hides her reaction.

HIDING HIS FACE, to keep me from knowing how witty and amusing I am, is Herman Murray, Jr., while we were with Chowan's B. S. U. at the Missions Conference in Wake Forest at Southeastern Baptist Seminary.
