

REFUSING TO BE AMUSED as Herman turns his humor (?) in lunch line on us are Professor Annette Jordan, Greg Thomas, Judy Winborne, Julia Carpenter (hiding behind me) and your witty daughter.

*No matter how big a mess they make!*

BACK IN OUR ROOM AT CHOWAN, after an inspiring Missions Conference, with "Inky" continuing to hide behind me, we settle into regular study routines . . .

*Chowan coeds are always neat*

HELPING EACH OTHER straighten their room at the Wake Forest conference center are Linda Ryland, Ellen Jones and Leah Pittman.

WHICH INCLUDE PITCHING against my roommate and any other courageous coeds who dare oppose my blazing fireball.

*Your daughter, Louise Jernigan*
