

**FRESHMAN PRE-GAME HUDDLE PLOTS STRATEGY** — Preparing his freshman girls for their winning performances in the Powderpuff Bowl, Coach Pete Buscetto has them huddle around him as he gestures with his left hand and diagrams plays on the turf with the other hand.

**RAIN STARTS** — Refusing to let downpouring rain dampen their spirits or force them from the gridiron, Bonnie Scott (left) and Gwen Hyatt use coats for shelter. Both girls were members of the victorious pigskin unit, with Bonnie being a freshman from Kenly and Gwen a freshman from Winston-Salem.

## Freshman Girls Top Sophomores In Annual 'Powderpuff Bowl' Game

Deidra Jay Shumaker zoomed across the goal line, into touchdown territory with a pigskin passed by Vickie Gilbert, during the third quarter of Chowan's second annual Powderpuff Bowl game and gave the freshmen girls a 6-0 victory over the sophomores.

An intercepted pass set up the touchdown in the third quarter, a period of pigskin activity delayed almost a week by downpours of rain preceding Chowan's Thanksgiving holidays and continuing through them.

Pete Buscetto, gridiron performer for Chowan's Braves, coached and managed the vic-

torious gridiron performers. Spunky and speedy girls maneuvered on both squads.

Sophomores had won the first Powderpuff Bowl game and, although this year's game evens the series at a victory apiece, the girls who were this year's losing sophomores were also last year's losing freshmen.

A fast-paced, high-scoring Intramural All-Star game, following the Powderpuff Bowl, saw sophomores outscore freshmen, 47-27.

Gaining pay dirt territory twice for the victors were Wayne Beale and Milton Otley. A touchdown apiece was also scored for the winning sophomores by Karl Gunther and Bill Snyder.

Freshman scoring assaults

were led by John Tebault, whose speedy performances left onlookers gasping for breath, Bob Skiba and Fred Overmann.

Onlookers, many being spectators for intramural football for the first time, enjoyed the speedy action and pledged themselves to see much more of it at Chowan in the future.

### DIVORCEES DYING

LOS ANGELES AP - Divorced men and women are dying at a faster rate than married persons, according to a California census report.

The figures issued by the California Department of Public Health show that the suicide rate of divorced persons tops the figures for married persons by three to five times.

**CHEERLEADERS SHOW THEIR STUFF** — Pert and peppy cheerleaders for Powderpuff Bowl competitors were, from left, Danny Walter, Winfrey Johnson and Robin "Turk" Dedrick.

## Attendance In Schools At All-Time High

Unprecedented numbers of Americans are attending school, with a total enrollment exceeding 55 million persons in the last school year, according to the Bureau of the Census.

About 35.6 million were in elementary school or kindergarten, almost 13.4 million were in high school, and about 6.1 million attended college or professional school. It is anticipated that the total enrollment will exceed 0.4 million by the fall of 1975 even though the rate of growth is expected to slacken at each educational level.

In the 11 years from 1955 to 1966, the number of persons 5-34 years of age who were attending school on a full-or part-time basis increased by an average of 3.6 per cent annually. The average yearly enrollment gain was 2.5 per cent in elementary school, 4.8 per cent in high school and 8.9 per cent in college.

By 1975 almost 8.6 million students may be enrolled in college, according to Metropolitan Life Insurance Company. This anticipates an increase of 2.5 million over their number in 1966, and will account for almost half of the expected increase in the total enrolled at all school levels.

**SOAKED BUT UNDAUNTED ATHLETES POSE TOGETHER** — Downpours of rain are unable to stifle gorgeous gridders or pretty pigskin performers, as these pert lassies seem to enjoy the dampened gridiron arena.
