

Chowan coed Christinia "Ki-Ki" Poll, whose home is the Truk Islands, will join President Ford's daughter, Susan, and Bob Hope at the Shenandoah Apple Blossom Festival May 2-4 in Winchester, Va. Miss Poll will serve as princess, along with representatives from many other colleges. Miss Ford has been named Queen of the annual celebration. As Chowan's representative, the 19-year-old student will have the opportunity to see apple orchards for the first time, since pineapples and coconuts are the important crops on her island of Moen.
