

HOMECOMING VICTORY

Football is always the focal point of any Homecoming celebration, and the Chowan Homecoming for 1976 was no exception. The Braves overpowered Ferrum College, a long-time rival and Coastal Conference foe, 14-2, before a capacity crowd of spectators. Pictured is Ferrum quarterback Terry Short (13) as he is caught behind his own line of scrimmage by Rodney Robbins (69) and another Chowan griddier.
