MIT Professor Visits Campus

A Massachusetts Institute of Technology professor, Dr. Bruce Mazlish, addressed members of the Chowan community on "The Uses and Abuses of Psychohistory: Kissinger and Carter" and "Karl Marx" when he visited the campus in early April as a member of the popular Visiting Scholars Program. The noted author heads the Humanities Department at M.I.T., and holds the Ph.D. degree from Columbia University.

For May-June, 1978

Wrestlers Post Winning Season

The Chowan College wrestling team finished the 1977-78 season with a 11-6 record, the first winning team since the Braves started their wrestling program in 1970.

The Braves were led by two freshmen, Mike Ferrara and Roger Randall, and two sophomores, Ramon Collins and Dan Kraft. Collins, who finished the regular season with a 13-4 record, was termed as this year's biggest surprise by Coach Steve Nelson.

Three Braves, Ferrara, Randall and Kraft, captured Mid-Atlantic Regional Championships as Chowan

finished third. During the season, each won 20 or more matches for a combined total of 64 wins against 16 losses and one tie.

Wrestling in the 142 pound division, Ferrara finished 23-5, Randall (150) 21-6-1, and Kraft (158) 20-5. In the national tournament, Ferrara won two matches and lost two to finish eighth.

Kraft ended his Chowan career with a 49-12 mark. He is Chowan's only two-time regional champion. He was Chowan's 1976-77 "Most Outstanding Athlete."

New Trustees

Continued

State University with a bachelor of electrical engineering. He is a graduate of the Public Utilities Program of the University of Michigan and the Executive Program of the University of North Carolina.

A World War II veteran, he is a professional engineer, member of IEEE (Institute of Electrical Engineers). He was named to the N.C. State University Chapter of Phi Kappa Phi.

Wealth of Musical Talent To Highlight Concert Series

A wealth of musical talent will highlight the Chowan College Community Concert Association's 1978-1979 season.

Four attractions, Lonstreth and Escosa, duo harpists; Peanuts Hucko Jazz Five; Grant and Winn, duo-pianists; and The Ronnie Brown Trio have been scheduled.

"This is one of the strongest programs we have offered, stated Dr. Alton Parker of Murfreesboro, president of the concert association.

Parker said area residents will be given an opportunity to attend the concerts through membership during the association's annual membership drive April 10-15.

Tickets for the 1978-1979 attractions are \$6 for students, \$12 for individuals, and \$30 for families. They may be purchased from any of the workers or at the McDowell Columns switchboard. Membership information is available by calling 398-4101.

Parker said Longstreth and Escosa performed several years ago, and due to their popularity they have been invited back. "But this will be their first appearance in the renovated McDowell Columns auditorium. We believe this will be a

perfect setting for their concert."

The Jazz Five features the clarinet of Peanuts Hucko, singing star Louise Tobin, plus piano, bass and drums. Peanuts Hucko has played in many major bands including Benny Goodman and Louis Armstrong. For several seasons he was seen on weekly television as "King of the Clarinet" on the Lawrence Welk Show.

The concert by the Denver natives was called "a magnificent two piano recital," by the Worcester (Mass.) Gazette.

The leader of the Ronnie Brown Trio is a former faculty member of Boston's New England Conservatory of Music. His trio of piano, bass and drums presents a program of classics, pops and jazz. A Los Angeles Times critic commented, "One of the nation's top pianists bar none — Ronnie Brown — capable of playing anything."

Grant and Winn will appear September 25; Peanuts Hucko Jazz Five November 6; and The Ronnie Trio, March 1. The Longstreth and Escosa concert has yet to be scheduled.
