Chowan students eligible for accounting grants

The National Society of Public Accountants Scholarship Foundation has awarded 32 scholarships in the amount of \$600 each for the 1983-84 academic year. Chowan students are eligible to apply for future scholarships, according to Thomas Ruffin, Department of Business Chairman.

The Scholarship Foundation was formed in 1969 by the National Society's Board of Governors in order to encourage high caliber individuals to select public accounting as a career. During the past 14 years over 330 scholarships have been awarded. The Foundation receives the majority of its funds through individual contributions from the 17,000 members of the National Society of Public Accountants and from affiliated state organizations.

Special Awards

In announcing the 32 winners, Leslie S. Shapiro, chairman of the NSPA Scholarship Foundation stated that the recipients of this year's scholarship awards were selected to provide recognition to students at both two year and four

year schools. Seventeen of the 32 recipients will be attending two year schools and 15 will be attending four year schools.

The Foundation presented a special "Charles H. Earp Memorial Scholarship Award" to the applicant judged to be the most outstanding in competition with accounting students from across the nation. The award honors the memory to the late Charles H. Earp who served as President of the National Society in 1980-81.

The recipient of the 1983-84 Earp Memorial Award is Lee Ann Day of Pine Bluff, Arkansas. Ms. Day is a student at Hendrix College in Conway, Arkansas. In addition to the \$600 scholarship award, Ms. Day will receive an additional \$200 and a plaque designating her as the recipient of the Earp Memorial Award.

The final winners were selected from over 1,000 students who submitted applications to the foundation. All applicants were judged for scholastic achievement, financial need, and demonstrated leadership ability.
