CHOWAN COLLEGE SCHOLARSHARE

Dawn Tyler is a Chowan College student from Ahoskie, N. C. In addition to her studies and campus activities, Dawn also works parttime in the Office of Counseling and Career Development.

Dawn is one of 455 Chowan students who work up to 20 hours per week to help pay for their college education. Without this financial aid, many of these students would not be able to remain in college.

Chowan is pleased to provide and help pay for the work of students who take this kind of initiative. Each year, Chowan pays thousands of dollars from its operating budget to students needing financial aid. Chowan must look to its friends for help.

For only \$10 per month, \$120 a year, you can help those students who want to work to help pay for their college expenses. Your gift is an investment in future leaders throughout this state and nation and in our churches.
