Buy a Car as You Would Hire a Man

You don't hire a man for a responsible position until you are thoroughly satisfied as to his character and ability.

You investigate his record of past performances, his record for reliability.

Apply the same test to the car you buy.

The price you pay for it is as much an investnent as the salary you pay the man. You expect a good return from both. Investigate the car as you would the man. Reputation in both is the determining factor.

You are urged to investigate the economy records, the reputation aad the performance of the Chevrolet because to know all about the Chevrolet is to be convinced that its purchase reflects favorably on the good judgment of thousands of owners.
