Mr. W. S. Weatherspoon, County Supervisor, has finished the work of flock now. mailing questionnaires to the property owners in West Sanford township. The property owners on the west side Searboard Air Line Railway here in Sanford, were the last to re ceive questionnaires. They were mailed out Monday. For the next few weeks Mr. Weatherspoon will be busy visiting and inspecting the property and will assist the owners in filling out the questionnaires. After he has finished the work in West Sanford township he will send out the questionnaires in some other township.

The passenger trains are heavily taxed these days to handle the great number of people who are traveling. Some times there is hardly standing room in the coaches. More coaches are needed to handle the business. Many people are off on their annual vacation and are going to and from the water es. But for the great number ing pla of people that travel over the countr oblie the railroads would be unable to handle the passenger treffic the Home Demonstration Agent, San-ford, N. C. Office in the Weather Many people now go to the mountain and seashore resorts in their cars. On can now travel to almost any part of the country over good roads.
