

CHANDLER SIX \$1795

The Fact of the Matter

YOU can see for yourself that the Chandler is the most closely priced fine car in the whole American market. Printer's ink lends itself to the presentation of claims and facts alike. We make it our purpose, in speaking of the Chandler, to deal with facts only.

And this we believe to be the fact, that no other automobile, built so well, built of such good materials, built in such good design, is priced within hundreds of dollars of the Chandler price.

The Chandler motor is truly a great motor. There is none better. Fifty thousand Chandler owners know it. And countless thousands of their friends and neighbors know it. Now in its seventh year of constant development, without radical change of design, it approximates perfection.

The whole Chandler chassis, simple and sturdy, is dependable and enduring. All Chandler bodies, graceful in line, roomy and comfortable, luxuriously upholstered and beautifully finished, are suggestive of the best custom work.

The New Series Touring Car

will delight you and your family. It is big and handsome, seats seven grown persons without crowding, and will take you anywhere in comfort.

The Chandler is fast when you want speed. It is flexible and instantly responsive in crowded traffic. It is powerful on steep grades.

CHANDLER MOTOR CAR COMPANY, CLEVELAND, OHIO

THE SANFORD EXPRESS

FRIDAY, August 8, 1919

LOCAL BRIEFS

Mr. and Mrs. Richard Bobbitt, who spent their honeymoon at Atlantic City and in the mountains of Virginia, arrived here this week and now have rooms at the Sanford Hotel. Mr. and Mrs. Bobbitt will make Sanford their home.

The doors of the Christian church will be open on Saturday night for the reception of members and again on the third Sunday night. The pastor, Rev. T. E. White, will fill his regular appointment at Shallow Well Sunday morning at 11 o'clock.

Embargo on all freight with the exception of food for human consumption, was announced by the Seaboard Air Line in Sanford Wednesday, as a result of the strike of railway mechanics and shopmen. Food for human consumption is accepted subject to delay.

Mr. Chas. Jones, of Cameron, was in town last Thursday to attend the London meeting. He was accompanied by his 14-year old son, Truett Jones. This boy is about six feet high and wears a No. 11 shoe. If he continues to grow until he has reached his majority he will be a physical giant. He is still in knee pants.

Rev. Wallace H. Hartsell, of Durham, will assist the pastor, Rev. Walter M. Gilmore, in a series of meetings at Cool Springs Baptist church, near this place, beginning Sunday afternoon, Aug. 17th. Mr. Hartsell is a fine preacher a young man with a strong personality. The services will be held in the morning and afternoon.

Major C. L. Scott arrived from overseas last week and is now spending a few days at home on a furlough. He will go from here to Camp Lee where he expects to be mustered out of the service in a few days. Major Scott's friends will be glad to learn that he expects to return to Sanford, open an office and again engage in the practice of his profession at this place.

A fire at the cotton platform Tuesday evening damaged some 25 bales of cotton, two of which were almost entirely consumed. There was some damage by water, the fire company having been called to the scene, to extinguish the flames. The cotton belonged to Mr. H. F. McPherson. We are informed that some boys started the fire while smoking cigarettes at the platform.

No one dreamed that there were so many babies and automobiles in Sanford and this section until Evangelist McLendon held his meeting here. It took this meeting to bring them together. There were all kinds of babies in that lot—good babies, crying babies, pretty babies and homely babies. Many of these youngsters proved that they had plenty of red blood in their veins by keeping their mothers on the jump from the time they reached the tent until they returned home. These future citizens of America certainly made themselves heard and felt. What would the community amount to without its babies? They are our most valuable asset.

It will be good news to many of our readers to know that Lee county is going to hold a fair this fall. That matter has been settled. All citizens of the town and county, who are interested in the fair, are requested to meet in the Commercial Club rooms at 4 o'clock Saturday afternoon. Mr. S. M. Jones, who did much to make the last fair a success, has been made secretary and will have charge of all work connected with holding the fair. He proposes to issue a fair catalogue as soon as possible so as to get things going. Every merchant, professional man and manufacturing industry in the town should take liberal space in this catalogue so as to meet the expense of holding the fair. Let the farmers and others begin to make their plans for exhibits at the fair.

The pastor, Rev. W. S. Golden, who recently returned from France, will preach at the Presbyterian church Sunday morning at 11 and Sunday night at 8:30. The doors of the church will be open at the morning service for the reception of members.

Services will be held at the Baptist church next Sunday morning at 11 and night at 8:30. An opportunity will be given at both services for the reception of members. Pastor Walter M. Gilmore will preach Sunday morning on "Things That Accompany Salvation." The sermon will be especially for recent converts. At night he will use as his subject, "Playing the Fool."

The pastor, Rev. W. R. Royall, will hold regular services at Steele Street Methodist church Sunday morning at 11 and Sunday night at 8:30. The doors of the church will be open at the morning service for the reception of new members. There will also be quarterly conference Thursday night at which time Presiding Elder Sandy will preach. The doors of the church will also be open at that time for those desiring to join.

Camp Bragg Expected to be Abandoned Soon.

A news item sent out from Raleigh the first of the week says that the suspension of condemnation proceedings against holders of Camp Bragg lands having been ordered by the government, the early abandonment of that great military post is expected.

No official news seems to have come out of Washington, but simple addition tells the story. Attorney General Frank Robinson had come to Raleigh to conduct these cases for the government, the beginning of which proceedings had taken place in Raleigh. There were thousands of acres, perhaps 50,000 ready for condemnation. The first hearing before Judge Connor in chambers ended in appeal from the reference findings.

Going into that phase of Camp Bragg it developed that the government has interrupted proceedings and that there will apparently be no contests over Camp Bragg lands. The government has been satisfied that it could settle fully 60 per cent of the Camp Bragg suits without going through the court process. It is understood that nothing more will be done.

The abandonment of Camp Bragg has been foreshadowed in withdrawal of appropriations to many camps begun under the last Congress. The Fayetteville post was not completed when the armistice was signed and although it is an expensively constructed camp it is certain to go, government employees think. Much of the land therabouts has been paid for. Many of the farmers have sold out. There is nearly a half a county involved. But the end of Camp Bragg near.

1920 Model K-45

Buick Five-Passenger Touring Car

THE BUICK Model K-45-45 is a very capable open car for five persons, designed to cover the multitude of uses to which such a car is put. It differs from the big seven-passenger model only in tonnage and chassis length, possessing the same degree of ruggedness, easy-flowing power and mechanical excellence.

The tonnage is even more liberally proportioned. The seat is set independent clear to the doors with the same French padded leather used on the cushions and seat backs. Back of the rear door, is equipped with a side pocket for storing small parcels. The instrument board is illuminated by a dash lamp. Top and side-curtains are made of high grade fabric, the curtains swinging open with the doors. Behind the front seat is a very convenient pocket for storing the side-curtains when not in use.

UPHILL WORK! MAKES YOUR MOTOR JERK!

GREEN FLAG MOTOR OIL MAKES EVERY GRADE EASY!

With inferior oil, or oil of incorrect grade or "body" for your motor, will show first signs on "heavy" roads, or going up hill. Your engine gets red hot; expansion takes place; your engine bucks, and grunts and knocks like sin, and you've got to "grind" up the hill in low gear.

Then you "get sore" and say things not found in religious publications, and all the while the fault is primarily yours; because you weren't specific or concerned in what sort of motor oil you were using.

If you'll always "oil up" with "GREEN FLAG" you're going to get the longest wear and the greatest service and the most pleasure out of your car.

The following well-known and reliable dealers in this county, are exclusive agents for "GREEN FLAG" MOTOR OIL. It will pay you to go out of your way to reach one of them, when you need motor oil.
