

CHANDLER SIX

Greatest of All Sixes

Spring'll Be Here
'fore You Know It

DESPITE conditions which greatly held back the production of automobiles throughout the early months of this year, nearly twenty thousand discriminating motor car buyers have been made happy and contented by the possession of their new Chandler cars.

Nothing could more clearly show the regard in which America holds the Chandler Six, than the patience with which thousands waited for weeks and months for their Chandlers. They waited because they knew what they were waiting for,—because they know it is worth waiting for.

Some are still waiting, but their cars are coming. December production is taking care of many orders, and January will see the great Chandler plant on a production basis unprecedented in the medium priced fine car field.

Chandler dealers will, we hope, be able to fill their orders more quickly next year, but when the first warm days of Spring come, and the country roads call, and everyone decides he wants his new car at once, there will be some waiting again.

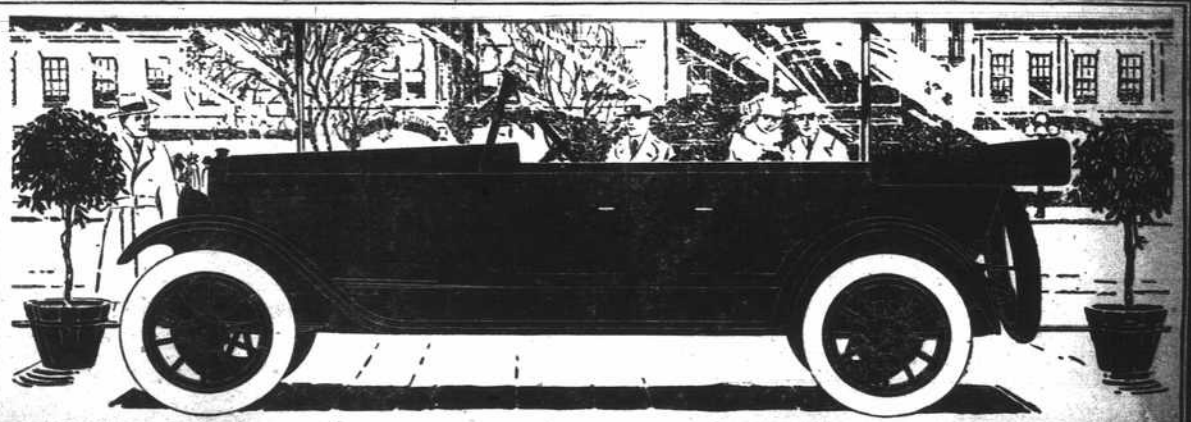

If you want your new Chandler when you want it, place your order now. If you want to be sure of getting the car of your choice, the greatest of all Sixes beyond question, drop in and see your Chandler dealer now, regardless of what the weather may be. For "Spring'll be here 'fore you know it."

All Chandler bodies are mounted on the one standard Chandler chassis, which has made the name famous. Simple, sturdy and dependable throughout, its features embrace, as for years past, the really marvelous Chandler motor, solid cast aluminum motor base, annular ball bearings, silent chain drive for the auxiliary motor shafts, and Bosch magneto ignition.

FOY'S PAINTS
COST LESS

Because they go farther—
take fewer gallons and last longer

It is not a question of cost per gallon that should be considered when you figure on painting but the spreading power, durability, elasticity and permanency of colors.

Foy's Paints
are scientifically made and composed of only the best and purest ingredients.

They are to satisfy the most discriminating—instant on them and be assured of "Good Results."

FORD

THE UNIVERSAL CAR

Insist on genuine Ford Parts

The authorized Ford Dealer is your protection. As such we handle nothing but the Genuine Ford parts. They are made from the famous Ford Vanadium Steel and each part—according to its use—is heat-treated in the way that will give it the longest wearing qualities. Every part is the same as its duplicate in your Ford car or Ford truck.

That's just what imitation parts are when they become a part of your Ford car. They look strong enough, but the metal isn't there—the strong, durable Vanadium steel that goes into the Ford chassis and every Ford part. Ford parts are specifically cast and heat-treated, each according to its use. Some require a hard, flint-like wearing surface, other need resiliency, and some need just "toughness."

Ford metallurgists have been studying these problems for sixteen years and know just how each unit should be made to endure a maximum of wear and tear. They know the best results can be obtained only by the use of special formulas for different parts, and that honest Ford parts wear from thirty-five to one hundred per cent longer than count erfeits.

We carry complete assortments of genuine Ford parts for both passenger cars and trucks. And our garage is equipped to give careful, prompt Ford service—from minor adjustments to complete overhauls. Drive in, it's better to be safe than sorry. Come to the Authorized Ford dealer for service.

WILKINS-RICKS GARAGE

F. Y. Hanner, Manager

LOCAL BRIEFS.

Two postoffice inspectors were here this week to discuss with our citizens the question of establishing free delivery of mail in the town. We shall have more to say about this matter next week.

At public auction the 82 acres of land owned by Mr. D. C. Lawrence, near Buffalo church, brought \$8,000 last Tuesday. The land had been divided into four tracts; Mr. F. Y. Hanner bought one, Mr. K. E. Seymour one and Messrs. Hugh Palmer and W. M. Holder two.

Deputy Sheriff Alton Groce and Police Officer Loyd, of Jonesboro, went on a raid last Sunday and captured two blockade stills on Carr's creek, about three miles south-east of Jonesboro. They were from 600 to 800 yards apart. Fire was in the furnace of one of these stills which showed that it was in operation a short time before the officers arrived. The other still had been concealed about 100 yards from the furnace. One was made of two tubs of about 35 gallons capacity and the other was a copper still of about 45 gallons capacity. No one was found at these stills. The officers poured out three hundred gallons of beer. They brought the stills to the court house to be reduced to junk. These are the first stills that have been captured in Lee county in some time.

There is one nuisance in Sanford that should be removed. We refer to the blocked condition of the yard along side the railroad track when passenger trains come in from Wilmington and Greensboro, caused by freight cars being left on the siding which parallels the main line. It makes it very inconvenient for people getting off and on trains and as they are crowded in so near the track it makes it dangerous when trains are moving. It makes a bad impression and is talked about all up and down the road. We understand the matter can be remedied by using the siding for the main line and put freight cars on the track now used as the main line. Let our people take the matter up with the railroad officials and try to have a change made.

The remains of Mr. John Q. Swann, who died in Charlotte last Thursday, were brought to this place Friday accompanied by Mr. and Mrs. Winslow Smith and children, Mrs. Rebecca Swann and Mrs. Almeria Swann, and were carried to the Swann cemetery, near Swann Station, where the interment was made, the funeral service being conducted by Rev. William J. Gordon, of Spray. Mr. Swann, who was born and reared near Wilmington, died at the age of 70 years. For many years he made his home at the Swann place near Swann Station and was well known to some of our readers in that section. Mr. Swann was never married. For years he was a colporteur for the American Bible Society and was very successful in his work. He was highly esteemed by all who knew him.

The sweet potato, which grows to perfection in the sandy section of Lee and adjoining counties, is destined to become one of the most profitable crops raised by our farmers, if there is anything in what Carl L. Alsborg, Chief of the Chemistry Bureau of the Agriculture Department, recently told the Home Agriculture Committee. He thinks the sweet potato will yield up valuable products in the way of starch, table syrup and other commodities. Fifty barrels of syrup recently made from sweet potatoes under government supervision was placed on sale without advertising that it was "government made", and it brought 10 cents a gallon more than any other syrup on the market. Sweet potato growers will be interested in the announcement that Congress may later be asked to grant special appropriations for experiments.

GIRLS WANTED—To work in our Sewing rooms. Experienced operators earn from \$18 to \$25.00 weekly, \$1.75 per day while you learn. Dillon-Kearns Underwear Co., High Point, N. C.

FOR RENT—Farm two miles east of Jonesboro, containing 65 acres, 25 acres open to cultivation. Fine for tobacco, cotton and other crops. Apply to J. R. Rives, Sanford, N. C.

PERSONAL PARAGRAPHS.

Brief Mention of People and Their Movements.

Miss Loma Trull, who visited Miss Pearl Smith, has returned to her home in Raleigh.

Mrs. Arthur Gregson, of Hamlet, came over to Sanford Saturday to visit her people.

Rev. G. R. Underwood, who has moved from Asheboro to a place near Bennett, was in Sanford Monday.

Miss Mary Chandler spent Saturday and Sunday with friends in Fayetteville.

Mr. Herman Kennedy made a business trip to Greensboro Tuesday and Mrs. Kennedy went to Siler City to visit her people.

Mrs. B. F. Rush, who spent several months with Mr. and Mrs. Nelson Walker at Morristown, Tenn., has returned to her home here.

Miss Lola Tharow, of Laurinburg, spent the week-end with Mrs. W. T. Oshshire at Traway.

Misses Lois and Ida McNeill left Tuesday for Raleigh to enter Peace Institute.

Miss Beryl Boone, of Texas, who spent the holidays here with her sister, Mrs. J. W. Hawkins, on Hawkins Avenue, left last week for Nashville to resume her studies in Ward Belmont College.

Mr. J. F. Makepeace left Saturday night on a business trip to New York and Baltimore.

Messrs. J. B. and W. W. Hockett, of Pleasant Garden, came down Saturday for a short visit to their sister, Mrs. E. B. Hodgin, at "Fruitland" on capital highway.

Miss Judith Ross is visiting friends in Greensboro and Randleman this week.

Miss Lillie Pearl Coggins, of Footet, returned last Saturday after a three weeks visit to her brother, Mr. Walter Coggins at Galesville, Ga.

Mrs. W. H. Brooks and Miss Sallie Paschal, of Bonlee, are visiting Mrs. J. D. Hart this week.

Miss Kate Petty, of Fayetteville, is visiting her mother this week.

Mrs. Neal Harrington has returned from a visit to Rocky Mount.

Sanderson-Evening.

On Wednesday evening at seven o'clock at the home of the bride's mother, Mrs. Otis Bridges, on Charlotte Avenue, was solemnized a wedding beautiful in its simplicity, when Miss Hester Bridges became the bride of Mr. Rufus M. Sanderson, of Lumberton.

Just preceding the ceremony, Miss Mary Maness sang, "Because I Love You", after which the strains of the Bridal chorus from Lohengrin announced the entrance of the bridal party. First came Rev. Walter Gilmore who took his place in front of the attractively arranged altar. Then followed Misses Betsy Matthews and Bernice Womble, Mabel Wicker and Nellie Bridges, Charles Cox and Katherine Thomas, bearing cathedral candles. These little maidens, dainty in dresses of white organza and pink ribbon, formed semicircle on either side of the altar. Next came the maid-of-honor, Miss Lilly Townsend charmingly gowned in blue crepe meteor with silver trimming and carrying Killarney roses. She was followed by the ring bearer, little Miss Elizabeth Thomas, who was daintily dressed in white. Then came the attractive little flower girl, Barbara Kelly, gracefully scattering rose petals in the path of the bride who entered from the left, on the arm of her brother, Mr. William Bridges. She was attired in a navy suit of vicloctie with hat and accessories to match and carried a shower bouquet of bride's roses, orchids, and lilies of the valley. At the altar she was met by the groom with his best man, Mr. E. B. Britt.

While Mr. Gilmore pronounced the beautiful words of the marriage service, Mrs. Marvin Kelly softly played, "Down the Path to Love". As the bridal party left the room Mendelssohn's wedding march was played. Immediately after the ceremony they left amid the congratulations of friends from Tampa, Fla., and other southern points. Many handsome presents attested the popularity of the bride both here and in Charlotte where she has recently resided.

The groom is a popular young business man of St. Paul.

Among the out-of-towns guests were: Mrs. Sam Womble, of Apex, Mr. and Mrs. Charlie Thomas and daughter, Mrs. J. L. Womble and daughter, of Mecklenburg, Miss Lilly Townsend, of Charlotte, Mr. B. B. Britt and Miss Blanche Melvin, of Lumberton.

Gems

The Brilliance of Gems is heightened by the skill and artistry of settings that display their lustre and beauty to their fullest advantage. Our large stock of jewelry contains many specimens of unique settings that add greatly to beauty and brilliance of rare stones.

PARDO'S STORE

Takes the guess out of Baking—saves you money

You can't buy baking-powder, soda and salt as economically as when you buy them already mixed in Occo-nee-chee Self-Rising Flour. And the extra ingredients are added in proportions for perfect baking.

Hot-cakes, light, golden biscuits and tempting waffles can be mixed in a few seconds and baked in a few more. Just mix with water or milk and put in the oven.

You'll like Occo-nee-chee because it's a real time- and trouble-saver.

OCOCO-NEE-CHEE

Self-Rising Flour
Takes the Guess out of Baking and Saves you Money

The Indian Head is on every sack of Occo-nee-chee Self-Rising Flour. Your grocer will sell you a sack today. Ask him. For a good plain flour, buy Puritas.

Austin-Heaton Co. Durham, N. C.

New Year Party.

One of the most enjoyable events of the holidays, was a New Year party given by Miss Willa Campbell, at her home near Sanford on New Year's eve.

After the guests had arrived several games were played and homemade candy served. Then each one was passed a string and at the end was their future. Much merriment was displayed as each one read their fortune.

After this partners were chosen for a cake and candy contest. Miss Annie King and Mr. Bailey Groce tied with Miss Ella Bruton and Mr. Ed. Holt for the prize. After nuts were served, again partners were chosen in an interesting way to toast marshmallows. When this was over the most interesting event of the evening took place. There were strings placed over the parlor door hanging from the top on each side. The girls were asked to take hold of a string and then the door was opened. Much laughter took place as they tried to find who had their string. These partners were to go to the school house to ring out the Old Year and in the New.

After reaching the school house each guest was asked to make their new year resolutions and see if they would be accepted or rejected by the crowd. Some were accepted and some were turned down. Imagine the laughter which took place when over 50 guests were assembled making new year resolutions.

As the hand of their watches pointed to 12, they rushed to the bell rope to ring in the New Year. The New Year being in and this being leap year also, several took advantage of the fact and proposed. Those who could not trust the boys at their word, had contracts drawn up and signed.

At one o'clock, after wishing everybody a Happy and Prosperous New Year, the guests departed, declaring Miss Campbell a delightful hostess.

Besides the guests from the neighborhood and adjoining neighborhoods, were numbers from Sanford and Ounnock, Miss Laura Currie and Mr. Donald Currie, of Sanford, Misses Jane Holt and Rosa W. Feltz, Messrs. Ed and Will Holt, of Jonesboro, Mr. M. E. Wicker, of Chapel Hill, Messrs.

Burch and Coy Knott, of Traway, Misses Claude and Eula Groce, of Greensboro, Misses Bevil Pickard, of Reidsville, Mr. Lester Hipp, of Moncure, and Mr. Clarence Pickard, of Carabonta.
