

The Sanford Express

Sanford, N. C., June 12, 1930.

LOCAL BRIEFS.

Mr. M. C. Reeves has moved his family out to their farm near Lemon Springs for the summer. Now that the primary is out of the way people can settle down to business and for a while stop discussing politics. Since the recent rains, cotton, tobacco and other crops in this section have taken a good start to grow and are well advanced for this season. Born to Mr. and Mrs. J. H. Worthy, near Jonesboro, Monday, an 8-pound boy. Mother and child are doing well. It would be interesting to know the amount of money spent for gas in traveling over Lee county during the campaign hooping it up for the candidates. Mr. M. D. Foister attended the Frigidaria Convention in Raleigh last Wednesday. He was accompanied by Mrs. Foister. Mrs. Foister then spent several days with her people in Monticure and at her old home place. The Isehour damage case is now being tried in the Superior Court of Wake county. Several members of the Lee County bar appear in this case for the defendant. A large number of citizens of Sanford are in Raleigh this week to appear as witnesses in the case. Rev. O. A. Keller, of Jonesboro, will make an address at the Baptist church at Broadway next Sunday night, June 15th, at 8 o'clock. Subject: "You should get married the second time." There will be special music by the quartette. The public is invited to attend. Messrs. W. H. White and John Marks left last week for a trip through the Northern States, taking in Washington, Baltimore and New York and other cities north. While away they will also spend some time in Canada. They expect to return in about three weeks. Messrs. John Reeves and Gus Womble motored to Fulton, Mo., to accompany Dr. J. B. Reeves and Mr. Coke Reeves home. Dr. Reeves is a member of the faculty of Westminster College, at Fulton, and Coke Reeves was a student there. John and Gus were gone a week and had a most pleasant trip. It is estimated that there will be about 1,500 cars of peaches shipped out of the Sandhill belt of Lee, Moore, Richmond and Harnett counties this season. This is three-fourths of a normal crop, 2,000 cars being the average movement from the belt. The mayflowers, the early peaches, have been shipped. They sold at fairly good prices. The main crop will be in to move in two or three weeks. J. D. Hobbs & Company, of Mount Holly, who purchased the bankrupt stock of Baldwin Bros., moved the remnant of the stock to Mount Holly last week and closed the business at this place. When this company first took charge of the stock they thought of establishing here permanently, but after remaining here for a week or two decided to move the goods to their home town and sell them. At the front of the local grocery stores can now be seen such things as strawberries, snap beans, English peas, beets, turnips, squash and many other things in the fruit and vegetable line. These things are being sold at reasonable prices and there is no reason why living expenses should be so high. Soon the blackberry crop will help to make the grocery bill still lower. On the fifth Sunday in June there will be a re-union of the Hilliard-Elkins-Perry-Phillips families at Hickory Grove Church near Harpers Cross Roads in Chatham. Rev. J. M. Hilliard of High Point, N. C., will preside and make an address to those present. Several choirs will be present to make music and a great day is expected. Everybody is requested to bring a well filled basket. Mr. J. L. Knight, of the Deep River section of Moore county, was in Sanford Saturday afternoon and showed The Express a young terrapin which he found in front of his home that carried the number 333 on its back. Mr. Knight suggested that this would be the majority that Senator Simmons would get in his voting precinct, but as Bailey carried Moore county by a big majority, this must have been the majority he received in that township. Mr. W. C. York was a winner at the primary last Saturday. Mr. D. B. King was not a candidate but he would carry Lee county. Although Mr. York supported Bailey, he said Senator Simmons would carry the county and won the wager. Had all the counties in the State voted as Lee county, Senator Simmons would continue in the United States Senate for the next six years. Mr. Charles G. Hatch, who now holds a position with the S. F. Royster Guano Company, of Norfolk, with headquarters in Atlanta, Ga., returned from a trip to Sanford to this city last week accompanied by Mrs. Hatch and children. They will engage in light housekeeping in that city during the next three summer months at the end of which time they will return to Sanford. Mr. Hatch will remain there and his family will eventually return to Atlanta where they will make their permanent home. Miss Alma Edwards, of the Glendon section of Moore county, who was at one time a teacher in the Sanford graded schools, but for the past few years has been teaching in Queen's College, Charlotte, plans to sail about the first of July with a party of a few days in that city she will go to Rome, where she will take six weeks special course of study. Before returning home she will spend a few days in London and after crossing the water she will visit Niagara Falls and other places of interest North. It was recently stated in The Express that the Wilkirk Hotel would change hands about June 1st. It has been leased to the Barrow-Chatman Hotel Corporation of Norfolk, Va., for a term of 10 years. This hotel corporation took over the management of the hotel Tuesday. Mr. Thomas Barrow, president of the company is in active charge. Mr. Barrow is a hotel man of long experience. He has been connected with a number of leading hotels in other states. Here are some of the hotels that he has been connected with: The Fairfax, Buffalo, New York; the Atlantic and Southland Hotel, Norfolk, Va.; Shenandoah, Martinsburg, W. Va.; the New Ebbitt, Washington City. Great improvements will be made in the hotel, including interior decorations. Mr. Barrow plans to make this one of the best hotels in the State. The service will be up-to-date in every respect.

Attend Missionary Conference. A large delegation of the ladies from the Jonesboro Auxiliary attended the annual meeting of the Fayetteville District Conference which was held at Steele St. Methodist Church, Sanford, Tuesday. There was a fine representation from the entire district and it was a thoroughly enjoyed meeting. Most of the yield in this section is carried to Cameron by truck and shipped in car-load lots with the Cameron growers, while other shipments are made direct here to New York by trucks. The berries are small on account of the dry weather, but the recent rains will greatly improve the berries which are yet to ripen. Entertains At Bridge. Mrs. J. E. Audiences and critics have acclaimed the film one of the outstanding laugh hits of the year. The picture brings Dix to the screen at the height of his popularity. Talking pictures have been introduced since his scores of successful silent films, and they have not found Dix wanting. In fact he is even better suited to dialogue pictures than to silent films—the result of extensive stage training. There will be two vaudeville acts each night, the vaudeville program being different and entertaining. The picture is being sponsored by the local Masonic Club.

We Now Have Already Mixed Calcium Arsenate and Molasses in The Right Proportion to Add One Gallon Water to Each Gallon Poison.
