A good number from Moncure attended the Home Coming at Mount Zion last Sunday.

Early last Sunday morning a large number of people gathered for the Home Coming at Mount Zion M. E. church, which is located on the Moncure and Pittsboro road. While gathering into the church, How Firm a Foundation, was played on the violin by Mr. George Bynum and daughter, Miss Lillie Bayne, with Mrs. W. W. Stedman playing the accompaniment on the piano. Then, All Hail the Power of Jesus Name, was sung by all. After the devotional by the pastor, Rev. M. C. Ellerbe, Mr. J. Lee Harmon, superintendent of Mt. Zion Sunday school, gave a most hearty welcome address, making all feel welcome and at home. The response to the welcome address was given by Miss Camelia Stedman, in very appropriate words. Then announcements were made by the pastor, Rev. M. C. Ellerbe, after which offering was taken. Violin music was made again by Mr. Bynum and daughter for the offering.

The choir then sang Ross of Sharon, Rev. M. C. Ellerbe, the pastor, preached a most excellent sermon on Silver and Gold Have I None, but Such as I Have Give I Unto Thee.

At the noon hour a real fellowship was enjoyed, everybody glad to see everybody, by that time the good ladies of the church had filled a long table under the shade of the trees, with good things to eat. After the blessing by Rev. H. M. Russell, every one enjoyed the delicious and bounteous dinner. The men of the church had made ready a barrel of ice cold water which was also enjoyed by every one. For the hot weather it was indeed refreshing.

After a most enjoyable noon hour, all assembled again in the church while violin music was made by Mr. Bynum and his daughter, Miss Lillie Bayne. Then the congregation sang There's Power in His Blood.

Rev. H. M. Russell brought a good message for the evening service. Then the following choirs sang several selections: Gum Springs, Hanks Chapel and Mount Zion.

Then a reading entitled Laddie, was given by Miss Camelia Stedman.

For the closing all sang God Be With You Till We Meet Again. Then benediction by Rev. H. M. Russell!

This was the first Home Coming ever observed at Mount Zion church, but it was indeed a good and enjoyable day, seeing so many who used to attend church at Mount Zion. The oldest member of the church, Mrs. Lucy Jeans, was present, and she is 94 years of age. All through these years Mount Zion church has made a wonderful record and the members of the church today are a band of Christian workers. May they pass on and forward until all meet at the great Home Coming in that city where eye have not seen nor ears have not heard the things that have been prepared for them that love God.

Revival services are being held at Mount Zion church each afternoon this week at 3 o'clock. The public is cordially invited to these services.

Mrs. Hackney has taught music all the summer in Brickhavan and Merry Oaks communities. The program given was rendered well and enjoyed by all present. Energizing Evelyn

EVELYN BRENT of the motion pictures and stage is a confirmed "snacker" and if you understood the parlance of the stage and screen you would know that a "snacker" is one who partakes of a sweet bite between acts. The value of a sweet snack, scientists point out, is to refuel the body with sugar—nature's greatest energy food—to offset fatigue. Miss Brent's snack usually consists of a piece of cake and a glass of milk.

Maybe never again such VALUES!

SOME DAY you'll look back to the summer of 1933 and say: "Imagine! A Goodyear Tire for only \$5.00!"

Yet even these remarkable low prices mean nothing unless the tire is built right. Along with these extraordinary prices for the new Pathfinder you get the highest quality in the moderate price field Goodyear has ever attained.

This new Pathfinder is a bigger value than the old Pathfinder. It has the bigger safety margin of FULL CENTER TRACTION—bigger mileage from the 20 PER CENT THICKER TREAD—stouter body of heat-resisting Supertwist Cord—and other improvements that make it a still better buy than the 17,000,000 Pathfinders that went before.

Look at the All-Weather values, also! This great thoroughbred—the finest tire that money can buy—waves an alluring price tag.

Whichever you want—new Pathfinder or All-Weather—remember this: More people are saving money with Goodyears than with any other kind.
