## JONESBORO NEWS LETTER

BY MRS. J. R. DALRYMPLE

**Temperance Rally**—On Sunday evening, October 29th, at 7:30 o'clock a Temperance Rally will be held in the Jonesboro School auditorium. Attorney E. L. Gavin, of Sanford, has been secured as the principal speaker. Special music will be an attractive feature of the gathering. A large community choir led by S. W. Womble and accompanied by Miss Blanche Godfrey, pianist, will render several selections. There will also be music by the Jonesboro and Broadway male quartettes.

This meeting is sponsored by the United Dry Forces in cooperation with the several churches of the community and Jonesboro school. Every body in the community is invited. Mr. D. E. Shaw, of Broadway, Dry candidate, will be present on this occasion.

**Club Hostess**—Mrs. Seth Cox was delightful hostess to the members of the Merry-Go-Round Bridge Club and several additional guests Monday evening at her home on West Main St.

Lovely dahlias were artistically arranged throughout the living room, where three tables of bridge were in play. Attractive Halloween tallies were passed by little Norma Cox. The table appointments carried out the Halloween idea. Tiny orange baskets filled with salted nuts and decorated with miniature black cats, further carried out the Halloween motif.

High score club prize, a radio lamp, was awarded Mrs. Ernest Caddell; visitors' prize, an attractive flower vase was presented Mrs. Sheldon Harrington. Low score award, a Halloween novelty, went to Mrs. W. M. Arnold. At the conclusion of the games the hostess served congealed salad, saltines, pickle, doughnuts and an iced drink.

Guests in addition to club members were Mesdames Sheldon Harrington, Emory Watson and Mrs. R. A. Watson.

**Now is the Time to Sow Winter Rye**—At the regular meeting of the Sanford Kiwanis Club, which was held in Jonesboro last Friday night, a beautification program was carried out and the speakers stressed the importance of sowing winter rye now. The Kiwanis club has obligated to buy 100 pounds of rye seed to resell at a very reasonable price. It is hoped that our Civic League will take advantage of this opportunity and secure seed to sow in vacant lots and unsightly places. Individuals are also urged to sow their lawns the cost of the average size lawn not to exceed \$1.00.

**Revival Services Close**—The revival meeting which has been in progress at the Jonesboro Baptist church for the past week came to a close Sunday morning at the 11 o'clock service. There were several additions to the church and the ordinance of baptism will be administered by the pastor, Rev. Frank Hare, at an early date. Rev. D. H. Ives, pastor of Carthage Baptist church, did the

preaching, with S. W. Womble, of Jonesboro, leading the singing.

**Round Dozen Bridge Club Meets**—The members of the Round Dozen Bridge club and one additional guest, Mrs. Ernest Kelly, were delightfully entertained by Mrs. Emory Watson on Tuesday evening at her home on Lee Street.

The living room where the guests were entertained was decorated in a lavish arrangement of dahlias and other fall flowers. High score was made by Miss Catherine Phillips.

At the close of many interesting games the hostess served frozen fruit salad, saltines, pickle and cocoa.

**Called to Raleigh**—Mrs. Ethel Rives was called to Raleigh Tuesday on account of the illness of her daughter, Annie, who is quite ill of scarlet fever. The many friends of Miss Rives, who is a student at King's Business College, wish her a speedy recovery.

**Class Hostess**—The Wesley Workers Bible Class of the Methodist Sunday School was delightfully entertained at the home of Mrs. W. C. Stroud Tuesday evening with Mrs. L. H. Joyner and C. A. Godfrey as joint hostesses. Lovely fall roses and dahlias were used as decorations. A very interesting devotional was in charge of Mrs. J. P. McDavid who used as her subject "Friends."

Following the devotional a very full business session was presided over by Mrs. C. A. Godfrey, president.

The financial report for the year was read and was very gratifying to those present. The class will have as their objective for the next few months repair work in the interior of the parsonage.

During the social hour the hostesses served fruit salad, saltines, and an iced drink. The November hostesses will be Mrs. J. P. McDavid and Mrs. C. H. Campbell.

**Barbecue Supper**—On Saturday, October 28th, Circle No. 1 of the Belle Barnes Auxiliary, with Mrs. Raymond Mann chairman, will serve barbecue supper in the store formerly occupied by Mr. W. F. Loyd. The supper will consist of barbecue, slaw, potato salad, sweet potatoes, bread sticks, pickle, coffee and pie and the price will be 50 cents.

With each plate you will get five tickets which entitle you to as many chances at the lovely crocheted bed spread now on display at Lee Furniture Company, Sanford. The ladies will appreciate your patronage.

**Special Meeting**—The Jonesboro Grange will assemble in the Junior Order Hall Thursday night for a special meeting. This will be "Booster Night" and special music and speaking will feature the meeting. Before the exercises begin a barbecue supper with accessories will be served.

**Celebrates 73rd Birthday**—Mrs. Fred Hamilton and two children, of Hamlet, and Charles Russell and family, of Pleasant Garden, spent Sunday at the home of Mr. and Mrs. C. H. Russell on Lee street. The children of Mr. C. H. Russell gathered on this occasion to celebrate his birthday. A most delicious dinner was served at the noon hour, the centerpiece being a lovely white birthday cake, Mr. Russell having from active service as Coast Line agent about three years ago, but still enjoys the best of health and is never happier than on these occasions when his children gather to celebrate his birthday.

**Reception and Miscellaneous Shower**—On Tuesday night, October 31st, at 7:30 o'clock the Parent-Teachers Association will give a reception to the teachers in the school building. The association is taking this opportunity of sponsoring a miscellaneous shower for the cooking laboratory of the Home Economics department.

There is a display table set up at Mann's Hardware Store where all articles needed are displayed. Any gift, no matter how small, will be appreciated.

When funds for the department were allotted to the school through federal resources, it was on condition that the Parent Teachers Association assume the responsibility of the minor equipment.

The community considers itself quite fortunate in having vocational Home Economics as part of its high school curriculum this year. It is interesting to know that Jonesboro is one of the six new departments in the State, with sixty more applications which were not able to be filled, due to limited expenditures from the federal fund which makes these departments possible.

Any community is at liberty to ask for adult evening classes should any special problems arise with which the home-makers need special help. As soon as the department becomes more thoroughly organized, regular units of work will be offered to any adults desiring same. Requests for special visits may be sent direct to the teacher, Miss Charlotte Makepeace, or to the principal, Mr. W. C. Stroud. These visits are not only for the parents of those children taking Home Economics, but for any patrons of the school who want information concerning the improvement of the general living conditions throughout the school district.

The day school work of the department is being scheduled to fit in with the limitations of insufficient equipment. To date, five sewing machines, an electric iron, an extension cord and two oil stoves have been loaned to the school through the courtesy of various members of the community. These articles, with the exception of the stoves, have given a fairly complete sewing laboratory in which all of the class room work is being done at present. The equipment on display at Mann's Hardware Store is the essential small equipment to begin any degree of work in the foods laboratory. Every article there, no matter how small, will be one step more toward reaching the standard goal which is necessary in order to retain this phase of work for the school.

Let every patron or friend of the school be present on Tuesday night, October 31st, at 7:30 o'clock.

**Card of Thanks**—The relatives of Mr. D. B. Buchanan wish to thank their friends and neighbors for their many acts of love and kindness shown them during his illness and death.

### Why the Sudden Change to Liquid Laxatives?

Doctors have always recognized the value of the laxative whose action can be measured, and whose action can be controlled.

The public, too, is fast returning to the use of liquid laxatives. People have learned that a properly prepared liquid laxative brings a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The wrong cathartic may keep you constipated as long as you keep on using it.

Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help. Dr. Caldwell's Syrup Pepsin is at all druggists. Member N. R. A.
