Before the seats were placed the pupils of the school had to either stand or sit on the floor during the prayer service.

AT THE DIXIE LAST NIGHT

The Dixie last night had a record breaking crowd. At times the house was sold out and standing room was at a premium in order to see the wonderful set of the DeVoes. At 2 o'clock Mr. DeVoe will be actually nailed in a box that has been especially constructed for the purpose and will in less than five minutes' time make his escape from the box without aid of any description. This is an act that has mystified thousands, and one who may never have an opportunity again of observing, and you should by no means miss this chance of seeing something that is truly out of the ordinary. This act alone is worth double the price of admission, and if you miss it you will be sorry. The pictures that night were excellent, and those for tonight are of an exceptionally high grade.
