DAUGHERTY'S DANDRUFF

Will Strike America's Hair and Nation if Not Checked.

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs." Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness. Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

Brown's Drug Store guarantees it. It will stop itching scalp, falling hair and make the hair grow thick and abundant.

It prevents and restores into the hair and prevents it from turning gray. It is the hair dressing par excellence. It is the most perfect and best from grease stickiness. It is the favorite with women of taste and culture who know the social value of fastidiously neat hair.

A large bottle costs only 50 cents at leading druggists everywhere and in Washington by Brown's Drug Store. The girl with the Auburn hair is on every package.

IN THE HOME

GOWAN'S PREPARATION is absolute protection against pneumonia, colds, croup, cough, whooping cough, influenza, and all other ailments of the throat. It is a powerful disinfectant and antiseptic. Price 50c. Sold by all druggists.
