MAKES HAIR GROW

Brown's Drug Store Has an Invigorator that Makes Hair Grow in Abundance or Money Back.

If your hair is thinning out gradually it won't be long before the bald spot appears.

The time to take care of the hair is when you have hair to take care of. For thin falling hair the best remedy known to mankind is Parisian Sage. It is compounded on scientific principles and furnishes to the hair root a nourishment that acts quickly and promptly and causes the hair to grow.

But remember this! It kills the dandruff germ, the pest that appropriates all the natural nourishment that should go to the hair root. Parisian Sage sold by Brown's Drug Store under a positive guarantee to banish dandruff, stop falling hair and itching scalp in two weeks or money back.

It gives to women's hair a lustre and radiance that is most fascinating and causes it to grow abundantly.

Parisian Sage is now sold in every first-class town in America. A large, generous bottle costs 50 cents, and the girl with Auburn hair is on every bottle.

Spitting Nuisance

Hawking and Spitting is Caused by Catarrh Germs.

If the local authorities want to stop the disgusting habit of spitting mucous on the sidewalks, they had better instruct the people as to the best method of killing the catarrh germs and curing catarrh.

You can easily tell by reading the symptoms below whether you have catarrh or not:

Offensive breath, frequent sneezing, discharge from nose, stoppage of the nose, huskiness in the voice, tickling in the throat, droppings in the throat, a rough, pain in chest, loss of strength, variable appetite, spasms of coughing, low spirits at times, raising of mucous, difficulty in breathing, loss of vital force.

Brown's Drug Store has a reliable remedy (money back if it fails) for catarrh, called Hyomei, which is a vaporized air so antiseptic that when it is breathed over the inflamed and germ-infested membrane it kills all germ life and cures catarrh.

The price, including hard rubber inhaler, is only \$1.00, and money back if it doesn't cure. Extra bottles, 50 cents.

"I have tried almost every catarrh cure on the market without benefit. Have been using Hyomei for one week and feel like a new man already." - Wm. V. Goode, Newark, Ohio, June 21, 1909.
