The Gem managers were disappointed yesterday by not receiving the expected films as advertised, and had to show repeaters on the program. This was unavoidable, but tonight they will redeem their promise to show some new and fine comedies and dramas. The musical program given made up for the lack of new pictures, however, and the overture "From Shore to Shore" is a beautiful classical piece calculated to please the most fastidious taste. Come to-night and get another chance at the silver fruit basket which was bought from A. G. Smither & Co's stock. Someone is going to get them and it may just as well be you.

Gompers Loses. Washington, Nov. 2.—The decree of the Supreme court of the District of Columbia adjudging President Samuel Gompers, Secretary Frank Morrison and Vice President John Mitchell, of the American Federation of Labor, guilty of contempt of court in the Bucks Stove and Range case was affirmed today by the court or appeals of the District of Columbia. The case will now be taken to the Supreme court of the United States. Chief Justice Shepard dissented from the opinion of the court on constitutional grounds. The court held that the fundamental issue was whether the constitutional agencies of government should be obeyed or defied. The mere fact that the defendants were the officers of organized labor in America, said the court, lent importance to the cause and added to the gravity of the situation, but it should not be permitted to influence the result. "If an organization of citizens however large," the court held, "may disobey the mandates of the court, the same reasoning would render them subject to individual defiance. Both are subject to the law and neither is above it. If a citizen, though he may honestly believe that his rights have been invaded, may elect when, and to what extent, he will obey the mandates of the court and the requirements of the law as interpreted by the court, instead of pursuing the orderly course of appeal, not only the courts but government itself would become powerless and society would be reduced to a state of anarchy." The action of the Supreme court of the District of Columbia in sentencing Gompers to jail for 10 days, and the other defendants to 10 days each, was affirmed. FOR HEADACHE—RICK'S CAPSIDINE.

WHAT IS HYOMEL? You Have Heard About the Catarrh Cure Brown's Drug Store Guarantees. Hyomel is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back. It is made chiefly of eucalyptus and eucalyptol—taken from the eucalyptus forests of inland Australia. The medical profession knows that eucalyptol is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomel is made more efficient, pleasant and quick acting by the addition of Thymol, an antiseptic and disinfectant largely employed in the Listerian System. Gualacol and other important medicinal agents are also included in the Hyomel formula, which, without doubt, is the greatest destroyer of catarrh germs the world has ever known. Hyomel is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug. No itching of the stomach when you use Hyomel. Just breathe it in through the small inhaler that comes with each outfit. Sold by leading druggists everywhere and in Washington by Brown's Drug Store. \$1.00 for complete outfit.

WATKINS JURY STILL HUNG. Asheville, N. C., Nov. 2.—The jury which has been out since Saturday afternoon in the case against Fleet C. Watkins, charged with the killing of John H. Bunting, has not reached an agreement up to tonight. Judge Adams did not call the jury in today as he had Monday, so nothing direct has been learned, other than the fact that at times they still argue rather warmly, and that they are still evenly divided, six for conviction and six for acquittal. Judge Adams stated tonight that he did not know when he would discharge them if an agreement was impossible, as it appears now to be.

Argument was begun this afternoon in the case of Grant Brigman, charged with the killing of his uncle, John Brigman.

WARNING. Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at Brown's Drug Store. Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbon's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness. And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality. Parisian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.
