CAN SEE IN THE DARK.

Richmond, Va., Nov. 19.—Though totally blind in the daytime, Aubrey Wilson, a young man of Nottoway county, Va., can readily distinguish objects in the darkest night. His case is attracting much attention among the medical fraternity in this section of the country. On account of his peculiar affliction, young Wilson is without a rival as a hunter of the nocturnal possum.

"I have been trying to enter the University of Virginia," he said, "but on account of my affliction I am meeting great discouragements. I have spent a small fortune with oculists, but have received no beneficial results."

Country Club Tea.

Mrs. B. G. Moss was hostess at the Country Club this afternoon and welcomed the visiting members and friends with charming grace. The afternoon, though warm and the sky lowering, proved most pleasant after all, and the trip to and from Washington Park was delightful.

It takes a mighty old surkey to bear cranberry sauce mentioned with out thinking of its neck.

THE CITY HONORED.

Washington was honored yesterday by quite a number of the newspaper men from other towns. Representatives of the News and Observer, The Raleigh Times, Elizabeth City Independent, and others, were visitors. The News trusts each and everyone had a pleasant day and enjoyed themselves.

THANKSGIVING RECITAL.

On Thursday evening, November 25, at 8 o'clock, the students of Carolina Institute will give a concert in the school chapel. The school being much larger, with more advanced pupils than it has ever had, is more able to give a good recital.

Every young lady who attends the concert is requested to bring a basket. The young men come prepared to buy them. This is done so as to avoid admission at the door.

The decorations will be arranged in harvest time season. The public is cordially invited and will add much to the enjoyment of the children by attending. The program will be published later.

For the prettiest young lady, a sofa-pillow will be given.

A store's ad. today should be as much bigger and better than that of a year ago today as the store itself is bigger and better.

Good News

Many Washington Readers Have Heard It and Profited Thereby.

"Good news travels fast" and the thousands of bad back sufferers in Washington are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

John G. Latham, 907 Cotach St., Greenville, N. C., says: "Doan's Kidney Pills far surpassed any other kidney remedy I had previously used. For some time my kidneys were disordered, the secretions being too frequent in passage and painful when voided. Reading of Doan's Kidney Pills, I was so favorably impressed that I procured a box. They seemed to go directly to the seat of my trouble, giving me relief in a short time. My kidneys were restored to their normal condition, the secretions gave me no further trouble, and I felt better in every way."
