## Let A Master Metropolitan Tailor Make Your Fall Suit

I have just received from The Royal Tailors of Chicago and New York the swellest selection of beautiful Fall and Winter patterns you have ever feasted your eyes upon—a full half a thousand of weaves and colorings representing all the greatest cloth looms in America and Europe.

You could walk up Fifth Avenue, New York and visit every tailor shop on the road but you wouldn't find a better collection of handsome fabrics than these.

For they are the pick of the woolen world, selected by lynx-eyed buyers, from all of the handsomest cloth designs to be worn this season.

It will pay you well to come in and look at these cloth samples even if you decide not to get a suit right away; it will tell you more about the styles and colorings that swagger dressers will wear this season than you could learn in any other way.

And don't forget the vital points about Royal Tailoring itself.

The 500 cloth samples you see represent the one line of samples that stand for ALL PURE WOOL—All Pure Wool and nothing else. We will pay a dollar a thread for any cotton you will find in a Royal Fall and Winter 1909-10 fabric. And I dare any tailor in this town to make an offer like that.

Every Royal Tailor garment is made to your measure over 18 of your body dimensions—and made in the greatest tailoring establishment in the world. Royal garments must satisfy you or you needn't accept it.

### WOMEN'S SHOES

IT IS WITH A FEELING OF PLEASURE AND PRIDE THAT WE ANNOUNCE THE ARRIVAL OF OUR WOMEN'S FOOTWEAR FOR THE FALL AND WINTER SEASONS.

Our shoes are far superior to the ordinary sort of shoes that can be had at every store, where women's shoes are sold.

They came to us direct from the workshops of the world's most noted makers of Women's Shoes. There's many a new style feature in the Fall models, and we will take the greatest pleasure in showing our women patrons the handsome foot-wear that will be in vogue during the coming season.

### WHAT IS HYOMEL?

You Have Heard About the Catarrh Cure Brown's Drug Store Guarantees.

TO OUR TELEPHONE SUBSCRIBERS:

In order to obtain satisfactory telephone service, it is necessary for our subscribers to observe the instructions contained on the instruction cards tacked on to the various telephones. A great many of the subscribers are placing their receivers on the hooks before they complete their conversation and by doing this the operator gets the disconnecting signal which requires that she take down the connection, which, will of course, prevent you from completing the conversation with whom you were originally talking.

It is also desired that you place your lips close to the transmitter and give the number of the telephone with which you desire connection slowly and distinctly, calling the numbers by digits instead of the usual way. As an example, if you desire to communicate with telephone No. 221, call the number double two, one. The operator will then repeat the number back to you to assure you that she has heard the order correctly and will then make the desired connection. Do not ask questions of the operator, but call for the chief operator for information. The operators will be too busy answering calls of the subscribers to spend any considerable time in connection with your telephone to answer questions that can be just as well answered by the chief operator.

There is still some additional outside work to be done in connection with the lines of those subscribers located outside of the corporate limits and outside of what is known as the cable district. It is necessary to string additional wires from the end of the cables to the subscribers' stations on these cutting districts in order to metallic circuit them. This work may cause some trouble to the subscribers, but every effort will be used to reduce the amount of trouble to a minimum. Should you have trouble, however, in using your telephone or find that it is not working satisfactorily, do not hesitate to call the chief operator or Mr. Bell, our town manager, notifying him of the fact, and the matter will then be given prompt attention.

### Warning

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at Brown's Drug Store.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbord's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a faintly perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.
