WOMEN'S SHOES

IT IS WITH A FEELING OF PLEASURE AND PRIDE THAT WE ANNOUNCE THE ARRIVAL OF OUR WOMEN'S FOOTWEAR FOR THE FALL AND WINTER SEASONS.

Our shoes are far superior to the ordinary sort of shoes that can be had at every store, where women's shoes are sold.

They came to us direct from the workshops of the world's most noted makers of Women's Shoes. There's many a new style feature in the Fall models, and we will take the greatest pleasure in showing our women patrons the handsome foot-wear that will be in vogue during the coming season.

STATE NEWS

Condensed Items of Interest Happening Throughout the State.

A fire that swept things before it with rapidity, and which was checked only in time to save the residence it threatened, broke out shortly before 1 o'clock yesterday afternoon at the residence, 239 North Dawson street extension, the property being owned by the Beckham and Horton estate, and occupied by Mr. Samuel Watkins and family. The fire had made good headway when discovered. It had its origin in an old kitchen in the back yard, used as a storeroom and wash house. Smoke issuing from it was seen by one of the daughters of Mr. Watkins, and she gave the alarm, which quickly brought the fire companies. —News and Observer.
