WOMEN'S SHOES

IT IS WITH A FEELING OF PLEASURE AND PRIDE THAT WE ANNOUNCE THE ARRIVAL OF OUR WOMEN'S FOOTWEAR FOR THE FALL AND WINTER SEASONS.

Our shoes are far superior to the ordinary sort of shoes that can be had at every store, where women's shoes are sold. They came to us direct from the workshops of the world's most noted makers of Women's Shoes. There's many a new style feature in the Fall models, and we will take the greatest pleasure in showing our women patrons the handsome foot-wear that will be in vogue during the coming season.

CAMPBELL'S CREEK NOTES.

Mr. Geo. Hardy, of Oriental, spent last Saturday and Sunday visiting friends at this place.

Mrs. Mollie Clayton, of Edward, spent last Sunday with her sister, Mrs. W. H. Godley, of this place.

Messrs. J. W. Mayo, L. F. Jones, W. J. Mayo, M. B. Williamson, County Commissioner Hooker and others, went to Jones' Bay last Friday to confer with the citizens of that place in regard to building the road which is being made from this place to Jones' Bay. They state that the Jones Bay people will resume work on their end of the road at once, if they will move up their part of this road like Supt. Hodges is moving the Beaufort county end with his convict force. It will not be long before in driving to Jones' Bay instead of having to drive about 50 miles—we will only have to drive for seven. All we can say is let the good work go on until this road which was the dream of our fathers shall be completed.

Don't forget our basket party. Don't forget the date, Friday night, November 26. Be sure to come and don't forget to bring your money.

Rev. C. R. Canipe filled his regular appointment here Sunday evening which was his last appointment before going to conference. We are glad to say that he goes to conference with all collections and his salary paid in full, and it is the unanimous desire of all that he should be returned to us another year.

Mr. J. H. Austin, Willis Hudnell, Demos Wheaton and Bill Hudnell went deer hunting last Saturday and killed a fine buck.

IN MEMORIAM.

The town of Pantego was shocked Wednesday afternoon, November 17, 1909, when it was reported Cortez Fodrey had met with a serious accident in the log woods while working for the Cooperage Co.

He was brought home and upon examination it was found his hip was badly crushed by part of a tree falling on him, besides internal injuries. All that skillful physicians, a devoted wife and mother, and a host of friends could do was of no avail and Saturday morning, November 20, his bruised and torn flesh was taken to the Great physician of the Soul, there to be made whole. Cortez was in many respects a model man, honest, just and upright, he was faithful to every trust. Only 31 years of age, yet he had conducted himself that he had won the respect of all who knew him. He leaves a wife and one child, a mother, father, five sisters and four brothers, a host of friends to mourn over his untimely end. The remains were taken to Jones Bay Sunday for interment. The remains were taken in charge of the C. B. H. of which the deceased was an honored member. He was followed to the grave by a large concourse of people, testifying the esteem in which he was held. May the God of all Grace bind up the broken hearts.

HIS LOVING MOTHER.
