GIVE THANKS!

If you're not in jail today, if half your bills you still can pay, if you on Harvard did not bet, if you can still some credit get, if you're not in the sugar ring, if you're no emperor of King, if you this year have not been struck By automobiles—wonderous luck! If you in Tammany are not, if you've escaped a Black Hand plot, if for divorce you're not been sued, if you have health that's fairly good, if you're a job that pays you swell, if you're a nickel in the bank, if you are not a carping crank, if you're a servant who can cook, if you your wife's best dress can book,

If you your family can keep if you can go to bed and sleep, if you can say, "I am some use; For living I have some excuse," if there are some, however few, Who really like the sight of you, I there is one in all the land Who likes to shake you by the hand,

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Washington People Know How to Save It.

Many Washington people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt.

J. Savage, Church street, Farboro, N. C., says: "For some time my kidneys were disordered, the passages of the secretions being scanty and painful, I had sharp pains across my loins and if I stopped suddenly, sharp twinges caught me across my back and I could hardly straighten up. After using a number of remedies without obtaining relief, I procured Doan's Kidney Pills. They removed the aches and pains in my back and regulated the passages of the kidney secretions. I am pleased to recommend Doan's Kidney Pills in return for the benefit I have derived from them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's— and take no other.

WHAT DO YOU THINK?
A man and wife came in from the country with them a very pretty little 5-months-old baby. Wanted his picture taken. After they found out they could get a good picture of him for 25c they took the little fellow away—said that was more than they would pay for his picture. I said nothing, thought the parents knew the value of the child better than I did.
