WASHINGTON, N. C., NOV. 29

LET THE NEWS FOLLOW.

Parties leaving town should not fail to let The News follow them daily with the news of Washington fresh and crisp. It will prove a valuable companion, reading to you like a letter from home.

MUST BE SIGNED.

All articles sent to The News for publication must be signed by the writer, otherwise they will not be published.

HATS SHOULD BE REMOVED.

Most everybody likes to attend the vaudeville-theatrical and moving picture shows, but it is not often the case that it is only a hat removed. Unfortunately there is no binding rule of a ten-cent show that makes the woman remove her hats as at the Metropolitan shows, so the poor man or woman who happens to get behind some women with a hat that is spending their last few cents to see a good show is lost because of that un-pleasant, gaudy hat.

Celebrates Mass.

Father Gallagher, of New Bern, celebrated low mass at the residence of Dr. James Gallagher, East Main Street, this morning at 8 o'clock. Quite a number were present.

LIST OF LETTERS.

Remaining unpaid for in the office for the week ending November 27, 1909. Gentlemen—C. Adams, Jake Edwards, Richard Steer, Charles Steer.

THE TRUSTS SAT HIGH.

Wherever a Thanksgiving dinner was eaten in the United States, by fire or by gas, in homes, hotels or restaurants, the trusts were the hosts; the diners were the trusts' paying guests.

If turkey proved the Boss, it was probably supplied by the Beef Trust, for all meat is beef to that trust. If cranberry sauce was served with the turkey, the cranberries had passed through the hands of the Provision Trust, as, of course, had all the vegetables, and the Provision Trust had taken its profit.

The Coal Trust got its bit for cooking the dinner and lighting the dining room and heating it, no matter whether gas or electricity was used. The Gas Trust and the Electric Trust arranged for their share, don't worry. If neither was used, then the Oil Trust leveled the table.

The Sugar Trust got a medium of profit from the cranberry sauce, the Salt Trust for its mite, the Tea Trust for the water and combined with the Milk Trust to get a profit from the Ne cream. The Tie Trust had its part, too, at many a dinner. And after the dinner was eaten the Broom Trust got something for clearing up the crumbs from the floor.

N. B.—By the way, the same thing will apply to the dinners of today and tomorrow and next year.—New York World.

TO PREVENT FIRE.

The citizens should bear in mind that now is the time of year when the leaves fall and they should not neglect to keep the gutters and roofs of their houses clean in order to prevent fire. This is a small matter, but it might be the means of losing thousands of dollars if neglected.

JUST LIKE A MAN!

The winter winds began to blow. And chilled him till he knew he must don warmer clothes, and so he to the closet flew. He groped around and went it blind, He hunted far and near, Then came a roar! He could not find That coat he wore last year!

So forth he leaped and raised a rowl. There was the device to play! His wife said, mildly, "Maybe, now, I gave the thing away." At that he stormed and raved around. And acted rude, I fear! She made a search and then she found That coat he wore last year!

And then they had a little talk Respecting finds like these. And he went out and took a walk To give his feelings ease. Although the day was passing fair, He gained but little cheer, Because he knew he had to wear The coat he wore last year! —Chicago News.

SEABOARD MEDICAL ASSOCIATION.

The Seaboard Medical Association for Virginia and North Carolina will convene in the city of Norfolk December 7, 8 and 9. The sessions will be held in the Naval Y. M. C. A. building. There are many subjects to be discussed which will be of great interest, particularly those on public health matters which are now a paramount issue before the American people.

PUBLIC SPEAKING.

Three challenged G. F. Taylor to meet me in the courthouse at Green Hill, N. C., on Saturday, December 1 (next Saturday). Speaking will be given promptly at 2 o'clock. All are invited. Come out and hear both sides of the stock-selling scheme as charged in my bill of indictment.

ASK BROWN'S DRUG STORE.

Parisian Sage, the Hair Grower, Now Sold in America on Money Back Plan.

It's a mighty good thing for the women of America that Parisian Sage can now be obtained in every town of consequence. No preparation for the hair has done so much to stop falling hair and eradicate dandruff and make women's hair beautiful as Parisian Sage.

Parisian Sage is the only certain destroyer of the dandruff microbe which is the cause of 97 per cent of hair troubles. These pernicious, persistent and destructive little devils thrive on the ordinary hair tonics.

Parisian Sage is such an extraordinary and quick acting re-juvenator that Brown's Drug Store, who are agents in Washington, guarantee it to cure dandruff, stop falling hair and itching scalp in two weeks or money back.

It is a magnificent dressing for women who desire luxuriant, lustrous hair that compels admiration. And a large bottle of Parisian Sage costs only 50 cents at Brown's Drug Store and all over America.

CURE A COLD IN ONE DAY.

Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

Warning

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at Brown's Drug Store.

It is made to conform to Dr. Sangerford's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daily performed hair dressing; not sticky or crumbly, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.

PILES CURED IN 6 TO 14 DAYS.

PAZO OINTMENT is guaranteed to cure any case of itching, burning, bleeding or protruding Piles in 6 to 14 days or money refunded 50c.
