THANKSGIVING IS PAST, BUT Christmas Will Soon Be Here

For a holiday suit, you want a FIT. Get one from a Real Tailor. My clothes wear longer, fit better and look better than custom-made garments.

H. B. GOLDSTEIN, Washington's Only Tailor

Some men like an overcoat long; some think these medium styles are just right. That is the beauty of getting your clothes made to order—instead of taking them out of stock.

You can get exactly what you want—not only in the weight and the length—but in the pattern. You decide all three of these yourself before the coat is made—and you dictate the style that the tailor is to follow.

I want you to come in and look over the wealth of overcoat ideas and patterns The Royal Tailors of Chicago and New York have placed in my store. You never cast your eye on so attractive a line-up. Hundreds of brand new overcoat cloths for Fall in every imaginable color and weave—and every one of them All Pure Wool.

I am waiting to measure you—The Royal Tailors are waiting to do the tailor work for you in their great Chicago and New York shops—and under their absolute guarantee to satisfy you or you needn't take the garment.

Everyone was enthusiastic over the Gem's program last night. Tonight there will be four fine pictures shown. *Old Heidelberg* is a fine German college drama, and the well known historical love story of Miles Standish will be elegantly produced. The drama *For His Daughter's Sake* is a fine hand-colored film and just to make you laugh away your troubles *A Double Barreled Suicide* is put on the list. Only one more night left before the drawing for the water bottle and glasses, which is some of Smith's finest stock.

Worry is the mother of sick, nervous and troubled mentality; upsets the entire physical system. The body is a network of nerves. Hollister's Rocky Mountain Tea soothes and freshens the entire system. Try it tonight. Hardy's Drug Store.

If true friendship plays any part when you have purchased your Christmas presents and on your way home passing Baker's Studio you will find you have made a mistake if your friend hadn't rather have a nice photograph of yourself than anything else you could imagine. I would think he is not worthy to be called your friend. Baker's Studio.

Warning

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at Brown's Drug Store.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangrebon's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a dutifully performed hair dressing; not sticky or greasy, and any woman who desires luxuriant and itching hair can get it in two weeks by using it. 50 cents a large bottle.
