HERE FOR HEARING.

Quite a number of citizens from the South side of the river were here yesterday before the Board of County Commissioners in a matter involving wharf privilege at Bonneron.

PETITION WAS GRANTED.

Washington, Dec. 6.—The Supreme Court of the United States yesterday granted the petition for a writ of certiorari in the contempt cases of Samuel Gompers, Frank Morrison and John Mitchell, officers of the American Federation of Labor. The effect of the decision will be to bring the entire record in the Buck's Store and Range case against these men to the Supreme Court for review.

REFLECTIONS OF A BACHELOR

Women flirt, hoping it will come true; men, hoping it won't. For the average man a vacation means escaping from his family. What please a grandmother is how nobody ever could guess it, she looks so young. The reason a man isn't more of a fool than he is over a girl is that she could make him more so if she wanted to.

Banquet Tonight

You Can Safely Eat One if You Take Two Mio-na Tablets Afterwards. Brown's Drug Store Guarantees Them.
It is really a pitiful sight to see so many thousands of people worrying about what they can eat and what they can't eat. Dyspeptics, they call themselves, but they stretch the imagination when they do it. All these people need to make them healthy, cheerful and of sound appet-

ite is a box of Mio-na tablets. The stomach of a dyspeptic is overworked and run down. It needs help to digest the food, but more than that it needs a prescription that will cleanse, renovate, strengthen and put elasticity into the stomach walls. It stops belching of gas and distress after eating in five minutes. It is undoubtedly the greatest stomach tonic ever given to the public by a specialist in stomach diseases. Leading druggists everywhere sell Mio-na. Brown's Drug Store sells it in Washington for 50 cents a large box on the money-back plan. Test samples free from Booth's Mio-na, Buffalo, N. Y.
