### EAST CAROLINA TEACHERS' TRAINING SCHOOL NOTES.

President Robt. H. Wright attended an educational meeting in Washington, D. C. From there he went to Baltimore and Philadelphia on business connected with the school.

The first Thanksgiving Day of the school was one of joy and brightness to the students. Services were held in the assembly hall after breakfast. The students spent the day in singing, playing games, receiving callers and amusing themselves generally. The feature of the day, the big dinner, was greatly enjoyed.

The long delayed dynamo has arrived, so brighter lights are in the near future.

A laundry plant has been installed and is running smoothly.

A glee club of twenty members has been organized and is practicing regularly.

The music department is growing so that an assistant teacher, Miss Annie Lee Davis, of Goldsboro, has been added. It has been necessary to order additional pianos.

A force of hands is at work converting the woods to the rear and side of the buildings in to a park.

The young men have organized a literary society which they have named in honor of G. G. Jarvis. The following officers were elected; President, J. L. Rawls; vice president, R. L. Jones; secretary and treasurer, D. A. Windham.

A Young Woman's Christian Association has been organized. Miss Mae Jones, of Louisburg College, assisted in the organization. She made helpful, interesting talks on the history, purpose and work of the Y. W. C. A. The officers are as follows: President, Miss Pattle Dowell; vice president, Miss Rosa Guthrie; corresponding secretary, Miss Nellie Allen; recording secretary, Miss Jennie Williams; treasurer, Miss Agnes Smith.

The school is justly proud of the chemical laboratory which is thoroughly up-to-date and convenient in arrangement. Since the opening of school Prof. Austin has been busy getting the equipment in place. Now it is complete, the students seem to get much pleasure out of the work.

No class of plays seem to have a firmer hold on the American public than good rustic plays and none seem to prosper like those which have a New England background for a foundation on which the story is built. We need look for no better proof than "The Old Homestead" or "The County Fair," and in the same class as these will be presented at the opera house Friday night, December 19, the latest success, "Along the Kennebec," which while using the New England village and its people for plot and story, is entirely different in theme. The play is the story of a wife, the fruit of an ill-favored marriage, a heartless father, a daughter driven away from home, and a child's battle with a (sometimes) cruel world. The company carry the scenic production complete, and good bright apparatus comedy is promised in plenty.

### NOW SOLD IN AMERICA

In Less Than Three Years, Parisian Sage, the Splendid Hair Tonic, is Sold All Over America.

There is a reason for the phenomenal sale of Parisian Sage in the United States during the past three years.

And the reason is plain to all. Parisian Sage does just what it is advertised to do.

Ask Brown's Drug Store about it, they will tell you that they rigidly guarantee it to cure dandruff, stop falling hair or itching scalp in two weeks or money back.

There is no reason whatever why any man or woman should fail to take advantage of the above generous offer.

But one thing that has made Parisian Sage so famous is its peculiar power to turn the harsh, unattractive hair that many women possess into luxuriant and radiant hair in a short time. Women of refinement the country over are using it and it never disappoints.

Sold everywhere, and in Washington by Brown's Drug Store for 50 cents a large bottle.

Save your pennies and your family will take care to spend the pounds.

### CAUSES CONSUMPTION

If you have catarrh, don't fool yourself into the belief that it is a harmless disease.

At least one-half of the consumption in the world can be traced to catarrh.

Here are some symptoms of catarrh; if you have any of them get rid of them while there is yet time:

- Is your throat raw?
- Do you sneeze often?
- Is your breath foul?
- Are your eyes watery?
- Do you take cold easily?
- Is your nose stopped up?
- Do you have to spit often?
- Do crusts form in your nose?
- Do you blow your nose a great deal?

Are you losing your sense of smell?

Does your mouth taste bad morning?

Do you have to clear your throat on rising?

Do you have a discharge from the nose?

Does mucous drop in back of throat?

Hyomei is guaranteed to cure catarrh, sore throat, coughs, colds, croup and bronchitis or money back. Just breathe it in. Complete outfit, including hard rubber inhaler, \$1.00; extra bottles 50 cents. Leading druggists everywhere sell Hyomei.

Brown's Drug Store guarantees it. Drop a postal for our free book, Booth's Famous People. Booth's Hyomei Co., Buffalo, N. Y.
