**Fruit Cake**  
is now being baked at the  
**Dixie Bakery.** The 25 cent  
price is telling, for this high  
quality of cake. This is the  
third large batch and two  
more to be baked.

SHERIFF'S CALL FOR TAXES.  
The State taxes must be settled in full by 1st Monday in January. The school vouchers will be coming in daily; the people want their children educated and the teachers must be paid. The current expense of the County must also be paid. Now it takes money to pay these bills and it has to be raised by taxation. Your taxes have been due since September 1st, and I will thank all, who have not paid, to come forward and settle at once. Your taxes are due and there is no better time to pay than when you have money.

Very respectfully,

GEO. E. RICKS,  
Sheriff, Beaufort Co.

December 6, 1909.

### NOTICE

I will sell privately to parties up until the 20th day of December 1909 and on that day I will offer for sale the remains, consisting of corn, fodder, hay, oats, and all farming implements, and also a small portion of household and kitchen furniture.
