Public Hearing By War Dept. on Har- bor Lines This Port

Editor Daily News:

Recently I had occasion to request
the War Department, through Capt.
Earl L. Brown, Corps of Engineers,
U. S. A., stationed at Wilmington,
N. C., for an extension of the harbor
lines on the waterfront of Washing-
ton, so that the same might be ex-
tended sufficiently far about one mile
below Buzzards Creek. The harbor
lines of Washington were established
some years ago, and a number of blue-
prints were distributed among mem-
bers of the business men, and at a
later time I delivered a blueprint to
the Secretary of the Chamber of
Commerce, which I suppose is still on
file.

Capt. Brown has given notice that
he will have a public hearing in the
rooms of the Chamber of Commerce
on December 12, at 11 o'clock a. m.,
at which time he will be glad to hear
from any interested parties. My im-
pression is that Capt. Brown will wish
to have the views of all the citizens
relative to the present harbor lines
determining whether any changes are
necessary.

It is to be hoped that all of our
citizens, particularly those who own
land fronting on Pamlico River,
will attend this hearing, and in the
meantime, give this matter considera-
tion and be prepared to attend the
meeting and make any suggestions
which may occur to them with refer-
ence to the present harbor lines, or
the extension of same further east-
wardly. If it is desired that harbor
lines be established further up the
river than at present, I have no
doubt Capt. Brown would be glad to
be informed on this point. This is an
important matter, because the har-
bor lines when once established will
absolutely control in the extension
of any wharves or open piers out into
the river.

Respectfully,
JNO. H. SMALL.

TO ARREST ZELAYA.

Washington, Dec. 10.—A resolu-
tion authorizing the President to take
the necessary steps for the apprehen-
sion of President Zelaya, of Nicara-
gua, and for his punishment on the
charge of murder, if the facts in the
possession of the State Department
warrant such action, was introduced
in the Senate today by Senator Ray-
ner.

The resolution recites the circum-
stances connected with the execution
of the two Americans, Groce and Can-
non, by order of President Zelaya, as
generally understood through pub-
lished reports from Nicaragua. The
resolution will lie upon the table and
Senator Rayner has given notice that
he will address the Senate in its sup-
port.

RESULT TO NATION.

Washington, Dec. 19.—As a part
of the fight being made against the
acceptance by the government of the
statue of Robert E. Lee as a perma-
nent addition to the hall of fame in
the capitol building, the Vice Pres-
ident today laid before the Senate a
resolution adopted by the Michigan
commandery of the Loyal Legion on
November 4. This resolution char-
acterizes as an insult to the nation
the suggestion that if the statue of
Lee be rejected by Congress, Virginia

MRS. CLARK PASSED AWAY.

Raleigh, Dec. 10.—Mrs. Clark,
wife of Chief Justice Walter Clark,
of the Supreme court, died this morn-
ing at 11:30 o'clock. She had been
critically ill of pneumonia for sev-
eral days, but there had been such
improvement the past 24 hours that
two of her brothers, Major John W.
Graham, of Hillsboro, and Dr. Geo.
W. Graham, of Charlotte, had left
for their homes, being assured by the
attending physicians that their sister
had a good prospect for recovery.
However, this morning there came
upon her a "choking spell," such as
she had experienced several times the
past several days, and there was not
left sufficient vitality to enable her to
rally from its effects.

Mr. F. M. Mayo, of South Creek,
returned to his home this afternoon.

Hon. John H. Small is home at-
tending the session of the Superior
court.
