You ladies, who have pale faces, sallow complexions, dark circles under eyes, drawn features and tired, wornout expressions, you need a tonic.

The tonic you need is Cardui, the woman's tonic, it is the best tonic for women, because its ingredients are specifically adapted for women's needs. They act on the womanly organs and help to give needed strength and vitality to the worn-out womanly frame.

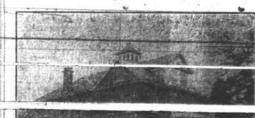

Cardui is a vegetable medicine. It contains no minerals, no iron, no potassium, no lime, no glycerin, no dangerous, or habit-forming drugs of any kind.

It is perfectly harmless and safe, for young and conserved.

The Woman's Tonic

"After my doctor had done all he said he could for me," writes Mrs. Wm. Hilliard, of Mountainburg, Ark, "I took Cardui, on the advice of a friend, and it helped me so much. "Before taking Cardui, I had suffered from female troubles for five years, but since taking it, I am in good health. "I think there is some of the best advice in your I that I ever saw."
