GAINS 40 POUNDS IN 40 DAYS.

Remarkable Results of the New Tissue Builder Bloodine, in Many Cases of Rundown Men and Women. Prove It Yourself by Buying a Bottle of Bloodine Now.

"By George, I never saw anything like the effects of that new treatment, Bloodine, for the building up of weight and lost nerve force. It acted more like a miracle than a medicine," said a well-known gentleman yesterday in speaking of the revolution that had taken place in his condition. "I began to think that there was nothing on earth that could make me fat. I tried tonics, digestives, heavy eating, diets, milk, beer and almost everything else you could think of, but without result."  
Any man or woman who is thin can recover normal weight by the remarkable new treatment Bloodine. "I have been thin for years and began to think it was natural for me to be that way. Finally I read about the remarkable processes brought about by the use of Bloodine, so I decided to try it myself. Well, when I look at myself in the mirror now, I think it is somebody else. I have put on just forty pounds during the last forty days, and never felt stronger or more 'nervy' in my life."  
Bloodine is a powerful inducer to nutrition. Increases cell-growth, makes perfect the assimilation of food, increases the number of blood-corpuses and as a necessary result builds up muscles, and solid healthy flesh, and rounds out the figure.  
For women who can never appear stylish in anything they wear because of their thinness this remarkable treatment may prove a revelation. It is a beauty maker as well as a form builder and nerve strengthener. Bloodine costs 50 cents for the usual \$1.00 size bottles. Mail orders filled by the Bloodine Corporation, Boston, Mass.
