ANNOUNCEMENT. To the Democrats of North Carolina: My name having been presented by the Democrats of Granville county as one suitable to fill the office of Corporation Commissioner, I have decided, after advising with many friends in different parts of the State, to tender my services to the people, subject, of course, to the action of the Democratic State Convention.

The vacancy caused by the death of the lamented Hon. B. F. Aycock having been filled by the appointment of Hon. H. C. Brown, a Western man, and he having declared himself a candidate for the unexpired term of four years, I hereby declare myself a candidate for the term of six years beginning January 1, 1911.

I place my candidacy upon my past record as a public servant and an earnest desire to serve the people of the entire State in this highly important office.

Your obedient servant, A. W. GRAHAM, Oxford, N. C.

Bad Dreams. Nightmare, Restlessness and Night-sweats all Caused by Indigestion.

Half of the nervousness in the world, all of the disturbing dreams and nightmares can be ended in a few weeks by a simple, inexpensive treatment.

Upset stomach is the cause of nervousness and bad dreams. Your food is lying in your stomach undigested and fermenting; it is forming poisonous gases which irritates the pneumogastric nerves that leads direct from the brain, and ends in a network of tiny branches running caused by the stomach, but do not know in what manner.

If you are nervous, have dreams or nightmare, and do not sleep sound at night, get a 50 cent box of M-i-o-n-s stomach tablets and take one or two after or with meals. They relieve distressed stomach in five minutes. Sold by druggists everywhere and by Brown's Drug Store in Washington, through the stomach.
