A CURE FOR ECZEMA.
 Many people who have eczema and have tried repeatedly to be cured without obtaining the desired result will be interested in the following statement by Mrs. Jas. E. Blair, of Boston, Mass.

"My daughter has suffered from birth (for twenty years) from eczema, and had tried many so-called cures and dozens of physicians' prescriptions with little or no relief until I was advised to have her try I am thankful today to be able to inform you that she has been entirely cured after using six bottles of Bloodine and four boxes of Bloodine Ointment."

What Mrs. Blair says is enough to convince the most skeptical that Bloodine and Bloodine Ointment used together will positively cure any case of eczema. Bloodine costs but fifty cents a bottle, six bottles for two dollars and a half. Bloodine Liver Pills cure constipation. Mail orders filled by Bloodine Corporation, Boston, Mass. WOMEN ARE INTERESTED IN ESTABLISHING LOWER DEATH RATE AMONG THEIR SEX.

It has recently been discovered that many women who believe they are suffering with diseases peculiar to their sex, have nothing else but kidney trouble or the results of kidney and bladder diseases. Thousands of women suffer from kidney trouble and never know it. When the kidneys are not in a healthy condition, they often cause the other organs to become diseased, and you become nervous, irritable, and often despondent.

When in ill health you may suffer with bearing down feelings, backache and loss of ambition. Many thousands of nervous, irritable and broken down women have restored their health and strength with Bloodine Blood and Kidney Tablets; they make sick kidneys well. Free sample and booklet will be sent by the Bloodine Corporation, Boston, Mass. Enclose stamp to pay postage. Dr. Ira M. Hardy, Special Agent.

Since the S-Hoff lay became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginning from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of R. A LIE CORRECTED.

In justice to Sheriff Ricks please read the following statements:

J. D. Aldridge, being duly sworn, says:

"I was a guard at the convict camp when Derwood Bateman was delivered by Sheriff Ricks to me, just at the beginning of a heavy rainfall; and the Sheriff was detained at the camp about 3 1-2 hours on account of the rain. During this time Bateman was whipped by Captain Hodges, as other prisoners under similar circumstances. The sheriff had nothing whatever to do with the whipping; neither did he make any suggestion in anyway about it."

J. D. ALDRIDGE.
 Sworn to before me. This Aug. 29, 1910.

W. B. WINDLEY, J. P.
 Washington, N. C., Aug. 29, 1910

I. H. Derwood Bateman, as a convict, sentenced to Beaufort county chain gang from Washington county. Soon after coming to Beaufort county I made my escape and returned to that place. I was arrested soon after in Washington county and Sheriff Geo. E. Ricks, of Beaufort county, was notified and went after me, bringing me back to the Beaufort county chain gang. I have no complaint whatever to make at the treatment which I received while in the custody of Sheriff Ricks; he treated me as well as any prisoner could expect. On my return to the convict camp of Beaufort county by Sheriff Ricks, Captain Hodges whipped me. Sheriff Ricks had nothing whatever to do with the whipping; in fact, he would never have seen it had he not been detained at the camp by a heavy rain.

I make this statement freely and willingly, of my own accord, in justice to Sheriff Ricks, and it is unfair for any one to try to connect him with it in any way.

Some purgatives contain such strong drugs that, while they cause the bowels to move, injure the delicate linings of stomach and intestines. Hollister's Rocky Mountain Tea is not in that class. It is simply laxative and at the same time healing and soothing. Hardy's Drug Store.

WHY SALVES FAIL TO CURE ECZEMA.

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating fluid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. Prescription. A trial bottle of this D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons.
