NEWSPAPER THE MEDIUM

Is the man who OUGHT to buy your property hard to find? Have you about concluded that he has placid blindness? Or perhaps it occurs to you that a window placard has, after all rather a LIMITED CIRCULATION, and is therefore a poor thing to rely upon if YOU REALLY WANT TO SELL? Buyers, you see, have a theory that real estate, that is of any importance, or that is DESIRABLE, is SURE to be advertised in the newspaper when the owner wants to sell it.

THREE WARNINGS.

Life
My son, I've traveled around the world
And many wails I've met;
There are two kinds you should avoid—
The blonde and the brunette.

My son, I, too, have traveled far
And many wives I've seen;
Two sorts there are that you should bar—
The fat—and then the lean.
—Nashville Tennessean.

My son, I hit up quite a gait
When younger and foot-loose;
And I don't say, "Avoid the girls!"
Because it ain't no use.
—Houston Post.

If a man calls a woman "dearling" names during an altercation, the chances are that she will get glad and quit.
"I'm after the corporations," cries Tumultuous Teddy. So he was in 1904 and got his money, too.

Also Motion Pictures.

Tonight at the Gem Theatre there will be presented one of the most clever and refined vaudeville sketches as Washington has ever been privileged to witness.

FOUR MUSICAL WOODS

The Four Musical Woods will present their comedy novelty musical sketch entitled The Night Before Christmas. This act will be especially pleasing to ladies and children and comes highly endorsed by both press and public. The musical numbers are novel, while the comedy sketch will not only amuse but entertain you. The whole is greatly beautified by many specifically arranged electrical effects which add much to the attractiveness of the performance.

A splendid program of motion pictures will also be shown.
The prices for the entire week will be children 10 cents; adults, 15c.

Moving Near Richmond

Mr. Thomas P. Howard and family are to day moving to their future home near Richmond, Va. Mr. Howard has purchased a farm near that city. It has been known here for some time that he and family were anticipating moving and the news was received with universal regret by all of their friends.
Mr. Howard has for years been one of Washington's highly esteemed citizens.

Left Over Potatoes.

Sometimes potatoes left in the ground over winter will produce good crops the following year. Of course such instances are rare and are not easily accounted for.

A GREAT FEATURE PROGRAM

At the Gaiety To-Night Blind Boys
In New Music and Catchy Songs

A program that will certainly be appreciated and engaged to the fullest extent is the treat in store for all who visit the Gaiety tonight.

Three full reels of pictures, good music and catchy songs by the Blind Boys.

"Caesar in Egypt"—A colored drama. A fitting sequel to the recent Egyptian film Eleopatra and not one whit inferior. The stage settings may be said to be even better.

The mise en scene bears the hallmark of a consummate knowledge of the art and science of staging, and we present this film in conviction that its indisputable merits will assure to it warm praise and a ready welcome.

"A Wireless Romance"—In addition to the romance of this great picture. A chase at sea is a new feature in the moving picture field and one that adds an exciting interest to this especially fine film of the Edison Company.

"A Great Train Hold-Up"—An American production, exciting, beautifully photographed. Don't miss it.

"Save Us From Our Friends"—A good comedy, showing the troubles of a newly married couple go through in order to get a few quiet moments together. The film is one continuous roar from beginning to end.

This entire program is one that will be appreciated. So come out with the crowd tonight.

Mayor Better

Mayor C. H. Sterling who was taken ill while in Boston attending the Atlantic Deeper Waterway Association and who has been confined to his bed since his return last Thursday is reported much better today. He is suffering from fever. His many friends hope he will be able to resume his official duties soon.

Physical culture never extends to the carrying of our neighbor's burdens.

A man can dress well on \$6,000 a year, says a fashion item. He can do a great many things on that amount in the run of a year, provided he can get the \$6,000.
